## Technical Assistance Satisfaction Instrument

Form Approved  
OMB No. 0920-New  
Exp. Date: XX/XX/XXXX

Thank you for participating in a capacity building assistance (CBA) technical assistance event delivered by the Centers for Disease Control and Prevention (CDC) or one of our CBA providers. The Capacity Building Branch of the Division of HIV/AIDS Prevention of the CDC would like to get your feedback on your experience with CBA services. We also want to gather suggestions on how to improve the program. Please be candid in your responses; your comments are extremely important to us and will be used to ensure that the CBA program meets the needs of our consumers.

Your responses will be kept secure; results will only be shared in aggregate form. Therefore, CBA providers will not know how you, personally, rated their services. Your participation in the assessment is completely voluntary, and failure to participate will not jeopardize their employment or CDC funding of their organization.

On the following pages, you will be asked questions about a specific CBA event. Completing this instrument should take approximately 15 minutes.

Thank you in advance for your time and assistance!

Public reporting burden of this collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Office, 1600 Clifton Road, NE, MS D-74, Atlanta, Georgia 30333; Acting OMB PRA (0920-New) Information Collection Review Office, 1600 Clifton Rd, NE, MS D-74, Atlanta, GA 30333; ATTN: PRA (0920-New).
