Customer feedback is critical to the success of our Capacity Building Assistance (CBA) Program. As such, we are conducting a brief assessment to get your input on your experience with CBA services and suggestions on how to improve the program. Your comments are extremely important to us and will be used to ensure that future CBA activities meet the needs of our customers.

All of your responses will be kept secure. Further, the results of your individual assessment will not be shared; we will only share aggregate results. Therefore, CBA providers will not know how you, personally, rated their services. . Your participation in the assessment is completely voluntary, and failure to participate will not jeopardize your employment or CDC funding of your organization.

Please click on the link below to access the assessment tool, which should take approximately 15 minutes to complete.
