

Appendix C.1: Senior Village Survey

Hello. I'm _____ and I'm calling from the Interviewing Service of America. We are doing a survey of older adults about *some health-related issues*. This project is funded by the Centers for Disease Control and Prevention, a government agency which promotes best practices for health across the country.

Your participation in this discussion is completely voluntary and we can stop at any point. We will use the information you provide for research purposes only. Your responses will be kept secure and your identity will be protected. We will not link your name to the information that you provide. There are no consequences if you decline to participate.

If you have questions about this study you may contact the Principal Investigator, Joie Acosta, by phone at 703-413-1100 extension 5324. If you have any questions or concerns about your rights as a research participant, please contact the Human Subjects Protection Committee at RAND, 1776 Main Street, Santa Monica, CA 90407, (310) 393-0411, ext. 6369.

Do you have any questions before we begin?
