Public reporting burden for this collection of information is estimated to average 4 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.** Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0002).

# SCREENS FOR PREPARING NEW APPLICATIONS

The following pages present the screens used to create/maintain Research Training Data Sets for use in **New Applications**. Since many of these screens are identical to the screens for preparing *renewal* applications, only those which are unique to New Applications will be shown here. Any menu options which are identical to *renewal* options (and therefore presented in the renewal section of this document) will be so noted.

# SCREENS FOR PREPARING RENEWAL APPLICATIONS

The following pages present the screens used to create/maintain Research Training Data Sets (RTDs) for use in **Renewal Applications**. Note that the preceding section (New Application RTDs) refers to the applicable screen shots in this (Renewal) section. For any of the following screens to which this applies, if there are any significant variations based on context (New application vs. Renewal) these variations shall be noted.

## Search for Training Grants

Preparation of an RTD for a Renewal Application begins with a search for existing training grants which have been awarded to the user's institution. The screen below is used to find eligible grants for renewal, whereby the desired grant may then be selected.

The screenshot shows the xTRACT web application interface. At the top, there is a navigation bar with the U.S. Department of Health & Human Services logo and the Electronic Research Administration (eRA) logo. Below this, there are tabs for 'xTRACT Home', 'New Applications', 'Training Grants', 'Persons', and 'Institution Data'. The 'Training Grants' tab is selected.

The main content area is titled 'Search for Training Grants'. It contains a search form with the following fields:

- Grant Number
- Type
- Activity Code (pre-filled with 'T32')
- IC
- Serial Number
- Support Year
- Suffix
- PD/PI Last Name (with a 'Last' sub-label)

Below the search form are 'Search' and 'Clear' buttons.

At the bottom right of the search area, it indicates '51 - 82 of 82 records, Page 2 of 2' and includes pagination controls.

The search results are displayed in a table with the following columns: Grant Number, Grant Status, PI Name, Project Title, Status, and Action.

Grant Number	Grant Status	PI Name	Project Title	Status	Action
5T32 -39	Pending	Apple, Candy	Tissue Engineering and Regeneration	Not Started (RPPR) Not Started (Revision) Not Started (Renewal)	<a href="#">Prepare for RPPR</a>

# Training Support and Summary, Search to Add Institutional Training Support

The screenshot displays the xTRACT web application interface. At the top, the browser title is "Research Training Data". The page header includes the U.S. Department of Health & Human Services logo and the Electronic Research Administration (ERA) logo, which is a program of the National Institutes of Health (NIH). The main navigation bar contains links for "xTRACT Home", "New Applications", "Training Grants", "Persons", and "Institution Data".

The left sidebar menu is titled "Training Grants" and includes the following options: "Search Training Grants", "RTD", "Basic Information", "Participating Departments/Programs", "Training Support & Summary" (which is highlighted), "Participating Faculty", "Participating Trainees", "Applicants and Entrants", "Appointments", and "Preview PDF".

The main content area is partially obscured by a modal window titled "Add Institutional Training Support". This modal contains a search form with the following fields and controls:

- Search Type:** A dropdown menu currently set to "NIH".
- Activity Code:** An empty text input field.
- IC Code:** An empty text input field.
- Serial Number:** An empty text input field.
- Suffix Code:** An empty text input field.
- Start Date (mm/dd/yyyy):** An empty text input field.
- End Date (mm/dd/yyyy):** An empty text input field.
- PD/PI Last Name:** An empty text input field.
- Buttons:** "Search Funding Sources" and "Clear".

At the bottom right of the modal, there is a "Close" button. The background of the main page shows a table with various categories and their corresponding counts, including "Prepa", "RTD: 5T", "PD/PI: B", "Train", "Institu", "Cens", "Faculty", "Predoc", and "Postdoc".

# Applicants and Entrants (After User Enters Start Year of Most Recently Completed Academic Year)

The screenshot shows a web browser window with the address bar displaying 'Research Training Data'. The page header includes the U.S. Department of Health & Human Services logo, the Electronic Research Administration (ERA) logo, and the NIH Office of Extramural Research logo. The navigation menu includes 'xTRACT Home', 'New Applications', 'Training Grants', 'Persons', and 'Institution Data'. The 'Training Grants' section is active, displaying a success message: 'Success: Most Recently Completed Academic Year was saved.' Below this, the main content area is titled 'Prepare Research Training Dataset (RTD) for Renewal' for grant 'RTD: 5T32 TRAINING IN ADVANCED ORAL EPIDEMIOLOGY' with PI 'Banana, Hannah'. A section titled 'Applicants and Entrants' features a form for 'Start year of the most recently completed academic year' with the value '2014'. A warning message states: 'The Pre-doc and Post-doc data may be edited via the links below, once the Start of the most recently completed academic year has been provided.' Below this are links for 'Pre-Doc Applicants and Entrants' and 'Post-Doc Applicants and Entrants'. The footer contains copyright information for 2013 NIH, version 1.00.00, and various links including 'Help', 'Contact Us', 'Privacy Notice', 'Accessibility', and 'Disclaimer'. The footer also includes the text 'Office of Extramural Research | National Institutes of Health | U.S. Department of Health and Human Services | USA.Gov - Government Made Easy | Grants.Gov' and the slogan 'NIH...Turning Discovery Into Health®'.

# SCREENS FOR PREPARING REVISION APPLICATIONS

Revision Application RTDs can be prepared for existing, awarded training grants and will be searched using the same “Training Grants” search used to find grants eligible for renewal (example repeated below with the “revision” link circled). All screens used to create/maintain Research Training Data Sets (RTDs) for **Revision Applications** will be *identical* to those shown in the preceding section, regarding Renewal Applications. The only difference will be that the word “Revision” will be used in any applicable screen labels, instead of the word “Renewal”.

# SCREENS FOR PREPARING RPPR SUBMISSIONS

The following pages present the screens used to create/maintain Research Training Data Sets (RTDs) for use in RPPR (Research Performance Progress Report) submissions. RPPR RTDs can be prepared for existing, awarded training grants and will be searched using the same "Training Grants" search used to find grants eligible for renewal and revision.

The screenshot displays the xTRACT web application interface. At the top, there is a navigation bar with the eRA logo and the text "Electronic Research Administration A program of the National Institutes of Health". Below this, there are tabs for "xTRACT Home", "New Applications", "Training Grants", "Persons", and "Institution Data". The main content area is titled "Search for Training Grants" and contains a search form with fields for "Grant Number", "Type", "Activity Code" (with "T32" entered), "IC", "Serial Number", "Support Year", "Suffix", and "PD/PI Last Name". Below the search form are "Search" and "Clear" buttons. At the bottom right of the page, there is a pagination indicator showing "51 - 82 of 82 records, Page 2 of 2".

## Prepare RPPR RTD, initial screen

The screenshot shows a web browser window with the xTRACT application. The browser's address bar is empty, and the page title is "xTRACT". The page header includes the U.S. Department of Health & Human Services logo, the Electronic Research Administration logo (A program of the National Institutes of Health), and the NIH logo (National Institutes of Health, Office of Extramural Research). The navigation menu includes "xTRACT Home", "New Applications", "Training Grants" (selected), "Persons", and "Institution Data".

The main content area is titled "Prepare Research Training Dataset (RTD) for Research Performance Progress Report (RPPR)". Below the title, the following information is displayed:

# RPPR, Participating Trainees

The screenshot shows a web browser window with the xTRACT application. The browser's address bar is empty. The application's navigation menu includes 'xTRACT Home', 'New Applications', 'Training Grants', 'Persons', and 'Institution Data'. The main content area is titled 'Prepare Research Training Dataset (RTD) for Research Performance Progress Report (RPPR)'. Below the title, it displays 'Training Grant: 5T32' and 'MOLECULAR MECHANISMS OF MICROBIAL PATHOGENESIS'. Other details include 'PD/PI: Banana, Hannah' and 'RTD Reporting Period: 09/01/1993 - 08/31/1995'. A link 'Back to Training Grant Search Results' is located on the right. The 'Participating Trainees' section features an 'Add Trainee' button and a table with 19 records. The table has columns for 'Trainee Name', 'Commons User ID', 'Trainee Type', and 'Actions'. The visible records are:

Trainee Name	Commons User ID	Trainee Type	Actions
Apple, Candy		Pre-doc	<a href="#">Edit</a>
Banana, Hannah		Pre-doc	<a href="#">Edit</a>
Cherry, Bing		Pre-doc	<a href="#">Edit</a>

The screenshot shows a web browser window with the xTRACT application. The header includes the eRA logo and 'Electronic Research Administration A program of the National Institutes of Health', along with the NIH logo and 'National Institutes of Health Office of Extramural Research'. A navigation bar contains 'xTRACT Home', 'New Applications', 'Training Grants', 'Persons', and 'Institution Data'. The main content area is titled 'Prepare Research Training Dataset (RTD) for Research Performance Progress Report (RPPR)'. It displays details for a training grant: 'Training Grant: 5T32 MOLECULAR MECHANISMS OF MICROBIAL PATHOGENESIS', 'PD/PI: Banana, Hannah', and 'RTD Reporting Period: 09/01/1993 - 08/31/1995'. Below this, a section titled 'Participating Trainee Detail: Pre-doc' lists 'Apple, Candy'. A table titled 'TRAINEE DATA' shows the following information:

## RPPR, Edit Participating Trainee (Postdoctoral), In Training Data

Note: When editing a postdoctoral trainee, In Training is the only section that will be different, in that the circled label will say “postdoctoral”.

The screenshot displays the 'xTRACT' web application interface. The main content area is titled 'IN TRAINING DATA' and contains the following information:

**\*Because Start Date is needed to set the trainee's Training Years, it is required to finalize the RTD. If the Trainee not still in training, then End Date is also needed to set to Training Years and is required to finalize the RTD.**

In Training	No	<a href="#">Edit</a>

Degrees	<b>Degree, Institution, Date Degree Received, Status</b> Doctor Of Philosophy, SUNY/At Buffalo, 01/1991 , Completed	<a href="#">Edit</a>
End Date (when Trainee Left Program)		<a href="#">Edit</a>

Below the 'IN TRAINING DATA' section are two other sections: 'SUPPORT DURING TRAINING' and 'POST-TRAINING POSITIONS', each with a '+ VIEW' button.

## RPPR, Edit Participating Trainee (Short Term)

Note that for a short-term trainee only three of the data sections are used (support during training and post-training positions do not appear)

The screenshot shows a web browser window with the xTRACT application. The navigation bar includes 'xTRACT Home', 'New Applications', 'Training Grants', 'Persons', and 'Institution Data'. The main content area is titled 'Prepare Research Training Dataset (RTD) for Research Performance Progress Report (RPPR)'. It displays the following information:

- Training Grant:** 5T32 MOLECULAR MECHANISMS OF MICROBIAL PATHOGENESIS
- PD/PI:** Banana, Hannah
- RTD Reporting Period:** 09/01/1993 - 08/31/1995

A horizontal orange line separates this information from the 'Participating Trainee Detail: Short-term' section, which lists 'Nectarine, Nancy'. Below this, there are three data sections, each with a 'VIEW' button:

- TRAINEE DATA** (with a person icon)
- IN TRAINING DATA** (with a location pin icon)
- SUBSEQUENT GRANTS** (with a magnifying glass icon)

The footer contains the following text: © 2013 NIH. All Rights Reserved. | Screen Rendered: 04/24/2015 05:28:13 EDT | Screen Id: XTRACT0012@5 | Version: 1.00.00. Below this is a navigation menu with links for 'Help', 'Contact Us', 'Privacy Notice', 'Accessibility', and 'Disclaimer'.

## RPPR, Edit Participating Trainee (Short Term), In Training Data

Note: No degrees are collected for short-term, but another data item is unique to this type of trainee (category).

The screenshot shows a web browser window with the xTRACT application. The main content area is titled 'IN TRAINING DATA' and contains a list of fields for editing trainee information. The fields are:

Field Name	Current Value	Action
In Training	No	Edit
Type	Short-Term	Edit
Category		Edit
Start Date		Edit
Faculty Members		Edit
Research Topic		Edit
End Date (when Trainee Left Program)		Edit

The 'Category' field is highlighted with a green box, and a green arrow points to it from the note above. The 'Edit' buttons are blue with white text. The interface also includes a 'VIEW' button with a plus icon for each section.

# SCREENS FOR PREPARING GENERAL PERSON DATA

In addition to the screens shown previously, which all relate to data entry for an Research Training Dataset, there are also screens for maintaining central data about persons, independent of any one specific RTD. These screens allow for some person-specific data to be edited/maintained centrally, thereby rendering it available for use across all RTD's. The following pages present the xTRACT screens that provide central person data editing capabilities.

# SCREENS FOR PREPARING GENERAL INSTITUTION DATA

There are also screens for maintaining central data about the user's grantee institution, independent of any one specific RTD. These screens allow for some institution-specific data to be edited/maintained centrally, thereby rendering it available for use across all RTD's. The two primary categories of institution data maintained in this section are (1) Programs within the institution, and (2) Funding sources. The following pages present the xTRACT screens that provide these central institution data editing capabilities.

# Institution Data (main)

The screenshot displays a web browser window with a single tab titled 'xTRACT'. The address bar is empty. The page header includes the U.S. Department of Health & Human Services logo and text, along with navigation links for 'Help', 'Contact Us', and 'Logout'. The main header features the 'eRA' logo and the text 'Electronic Research Administration A program of the National Institutes of Health', alongside the 'NIH' logo and 'National Institutes of Health Office of Extramural Research'. A secondary navigation bar contains links for 'xTRACT Home', 'New Applications', 'Training Grants', 'Persons', and 'Institution Data', with 'Institution Data' being the active page. The main content area is divided into two sections: 'Institution Information' on the left and 'Institution Home' on the right. Under 'Institution Information', there are links for 'Maintain Programs' and 'Maintain Funding Sources'. Under 'Actions', there are links for 'Create New Program' and 'Create New Funding Source'. The footer contains copyright information: '© 2013 NIH. All Rights Reserved. | Screen Rendered: 04/24/2015 05:02:42 EDT | Screen Id: XTRACT0005@5 | Version: 1.00.00', followed by links for 'Help', 'Contact Us', 'Privacy Notice', 'Accessibility', and 'Disclaimer'. At the bottom, it lists 'Office of Extramural Research | National Institutes of Health | U.S. Department of Health and Human Services | USA.Gov - Government Made Easy | Grants.Gov' and the slogan 'NIH...Turning Discovery Into Health®'.
