Sections 205(a) and 1106 of the Social Security Act, as amended, authorize us to collect this information to allow you access to our online applications. We will use the information you provide to register you, your company, or authorized employee(s) to use our Business Services Online (BSO).

Furnishing us this information is voluntary. However, failing to provide us with all or part of the information could prevent us offering you access to our BSO suite of services.

We rarely use the information you supply for any purpose other than for registration and granting access to our BSO suite of services. However, we may use the information for the administration of our programs including sharing information:

1. To comply with Federal laws requiring the release of information from our records (e.g., to the Government Accountability Office and Department of Veterans Affairs); and,

We may share the information you provide to other agencies through computer matching programs. Matching programs compare our records with records kept by other Federal, State, or local government agencies. We can use the information from these matching programs to establish or verify a person's eligibility for federally funded or administered benefit programs and for repayment of payments or delinquent debts under these programs.
