Secondary_Name

(return to sea)

(attracted to light)

(fruit and seed eating)
(nut gathering)

(with migration)

(needle bundles)
(no needles)
Deciduous

(with migration)

(evergreen)
(no initial growth)
(no open flowers)
(with pollen)

(with migration)

(no calls)

(singing)

(changing coat)
(fruit and seed eating)
(mating)

(no feeding)
(nut gathering)
(with horns)

(feeding)
(feeding, no caterpillars)
(with tent)

(no mating)
(no mating, no water)

(live birth and water habitat)

(flower visiting)
(no fruit and seed eating)
(no insect eating)

Broadleaf evergreen
Broadleaf evergreen (no flowers)
Broadleaf evergreen (no leaf buds)
Broadleaf evergreen (no leaves)
Broadleaf evergreen (with pollen)
Broadleaf evergreen (with pollen, no leaf buds)
Deciduous
Deciduous (no leaf color)
Deciduous (with pollen)
Semi-deciduous
Semi-deciduous (with leaf color)
Semi-deciduous (with pollen)

(no mating)

(honeybee)
(nut gathering and flower visiting)
Semi-evergreen
Semi-evergreen (with pollen)
