United States District Judge

Exhibit 1

[Letterhead of Settling Defendant]

[Name and Address of Antitrust Compliance Officer]

Dear [XX]:

I am providing you this notice to make sure you are aware of a court order recently entered by a federal judge in \_\_\_\_\_, Michigan. This court order applies to our institution and all of its employees, including you, so it is important that you understand the obligations it imposes on us. [CEO Name] has asked me to let each of you know that s/he expects you to take these obligations seriously and abide by them.

In a nutshell, the order prohibits us from agreeing with other healthcare providers, including hospitals and physicians, to limit marketing or to divide any geographic market or territory between healthcare providers. This means you cannot give any assurance to another healthcare provider that [Settling Defendant] will refrain from marketing our services, and you cannot ask for any assurance from them that they will refrain from marketing. The court order also prohibits communicating with [list other three defendants], or their employees about our marketing plans or about their marketing plans. There are limited exceptions to this restriction on communications, such as discussing joint projects, but you should check with me before relying on those exceptions.

A copy of the court order is attached. Please read it carefully and familiarize yourself with its terms. The order, rather than the above description, is controlling. If you have any questions about the order or how

it affects your activities, please contact me. Thank you for your cooperation. Sincerely,

[Settling Defendant's Antitrust Compliance Officer]
