| Is Applicant Seeking Relief Under PTE 2002-51? PTE 2002-51 provides an exemption from the payment of excise taxes to the Internal Revenue Service for engaging in certain prohibited transactions. For more information on PTE 2002-51, see VFCP Class Exemption FAQs . If the transaction in this application is not covered by PTE 2002-51, you may want to contact your accountant or ERISA advisor to determine if the excise tax is applicable in your transaction. Please note that if you take advantage of PTE 2002-51, you do not need to submit any information or documents to the IRS. | | | | |
| Yes - Either: Submit a copy of the notice to interested parties within 60 calendar days of this application and indicate date of the notice if not on the notice itself; or If you are relying on the exception to the notice to interested parties requirement contained in section IV.C. of PTE 2002-51 covering delinquent participant contributions and participant loan repayments to pension plans, you may pay the amount of the excise tax otherwise due directly to the Plan if the amount is less than or equal to \$100. If the amount of the excise tax | | | | |

| is less than or equal to \$100 and is paid to the Plan, you do not need to provide a notice to interested parties. However, you must provide a copy of a completed IRS Form 5330 or other written documentation showing the calculation of the excise tax amount and proof of payment of this amount to the Plan with your VFCP submission if you elect to pay the excise tax amount (again only an option if less than or equal to \$100) to the Plan. | | | | |
