

INSTRUCTIONS - DS-7656, AFFIDAVIT OF RELATIONSHIP (AOR)

NOTE: Read these instructions carefully. If you do not follow the instructions, the U.S. Department of State, or its designated representative, may return your AOR for clarification or correction. By completing this form you are claiming a relationship with family members overseas in order to assist the U.S. Government in determining whether those family members are qualified to apply for admission to the United States under the U.S. Refugee Admissions Program (*USRAP*). The AOR itself is not an application on behalf of your family member for admission to the U.S. as a refugee under the *USRAP* or a petition for any immigration benefit under U.S. law. Completion of this AOR does not guarantee that your family members will be found qualified to apply for refugee admission or that they ultimately will be admitted to the United States. Additionally, the information listed in this AOR may be used and disclosed by the U.S. Department of State as described in the Privacy Act Statement on the AOR and in Part 10 of these instructions below. The U.S. Government investigates claimed family relationships and verifies the validity of documents. Criminal prosecutions may be sought when family relationships are falsified to obtain immigration benefits.

1. Purpose of This Form

The DS-7656 provides a means for persons in the United States who were admitted as refugees or were granted asylum to claim a relationship with certain family members overseas and to assist the U.S. Department of State in determining whether those family members are qualified to apply for access to the *USRAP* for family reunification purposes. The specific family relationships and nationalities eligible for consideration under *USRAP* vary from year to year as outlined in the annual Presidential Report to Congress on Proposed Refugee Admissions. Resettlement agency representatives, who assist persons with this form, are knowledgeable about who may file an AOR in the current year. This form also assists the U.S. Department of Homeland Security's U.S. Citizenship and Immigration Services (*USCIS*) to verify family relationships during refugee case adjudication. The main purpose of the DS-7656 is for you (the U.S.-based family member) to provide biographical information about relatives overseas who may subsequently seek access to the *USRAP* for verification by the U.S. Government. The information on this form may also be used by the U.S. Government to verify information provided by these individuals in relation to any other immigration benefit they may subsequently seek under U.S. law and other uses as described in the Privacy Act Statement on the AOR and in Part 10 of these instructions below.

2. Who May File This Affidavit?

You may file the DS-7656 if you are at least 18 years of age, have been admitted to the United States as a refugee or granted asylum in the United States no more than five years prior to the filing of this affidavit, and have a legal immigration status in the United States. This includes persons who were admitted as refugees or granted asylum and are now Lawful Permanent Residents (LPR), and, in some circumstances, U.S. Citizens.

3. Who Is Qualified to Apply for Refugee Admission Based on this AOR?

Your spouse, and/or your unmarried (single, widowed or divorced) child(ren) under 21 years of age, and/or your parents, who have valid proof of refugee registration in their country of asylum may be qualified to apply for refugee admission to the United States under the *USRAP*. Please list them in Section II part A of the AOR as the Qualifying Family Member.

Spouses and unmarried children under 21 years of age of Qualifying Family Members may be included on the Qualifying Family Member's refugee application and may be admitted as derivative beneficiaries with the Qualifying Family Member as a refugee if otherwise admissible to the United States. These individuals derive their refugee status from the Qualifying Family Member and do not have to independently establish a persecution claim. Please list them in Section II of the AOR as type B relatives.

On a case-by-case basis, an individual may also be considered qualified to apply for admission in connection with a Qualifying Family Member if that individual:

1. lived in the same household as the Qualifying Family Member in the country of nationality or, if stateless, last habitual residence; AND,
2. was part of the same economic unit as the Qualifying Family Member in the country of nationality or, if stateless, last habitual residence; AND,
3. demonstrates exceptional and compelling humanitarian circumstances that justify his/her inclusion on the Qualifying Family Member's case.

These individuals cannot derive their refugee status from the Qualifying Family Member and therefore must independently establish that they qualify as a refugee. Please list them in Section II of the AOR as type C relatives.

Please note:

- The relationship between you and the Qualifying Family Member must have existed on the date you were admitted to the United States as a refugee, or granted asylum in the United States, and must continue to exist.

- If a person who is listed on this form is a child who was conceived but not yet born on the date you were admitted to the United States as a refugee, or granted asylum in the United States, the relationship will be considered to exist as of the date you were admitted to the United States as a refugee, or granted asylum in the United States. The mother of any such child is not a Qualifying Family Member unless the mother was married to you when you were admitted to the United States as a refugee, or granted asylum in the United States.

- The marriage creating a stepparent or stepchild relationship must have occurred before the child's 18th birthday in order for the stepparent or stepchild to be claimed in this AOR as a Qualifying Family Member or derivative.

- Adopted Children: In order to be claimed on this AOR as Qualifying Family Members in Section II or as a type B relative in Section II, adopted children must have been in the legal custody of and resided with the adopting parent or parents for at least two years and:

1. been legally adopted before their 16th birthday, or
2. be the natural sibling of a child described in (1) directly above and been adopted themselves before their 18th birthday.

- In all cases, in order for your children/stepchildren/adopted children to be considered Qualifying Family Members, they must be unmarried and under

4. Where Do You File This Form?

The DS-7656 is prepared by you with assistance from a local resettlement agency participating in the Department of State's Refugee Reception and Placement Program, and submitted to the U.S. Department of State by the agency's national headquarters office. *AORs submitted directly to Resettlement Support Centers (RSCs) or by you to the U.S. Government will NOT be accepted.*

5. What Additional Information Must Be Provided With the DS-7656?

You must attach copies of documents that provide proof of registration in the country of asylum for the family members for whom you are applying. Registration documents are provided by UNHCR or country of asylum.

You must attach copies of documents that provide proof of **your** current legal immigration status in the United States. AORs submitted without such document(s) will NOT be accepted.

Acceptable Proof of Legal Status for Anchor:

- a. **Refugees and Asylees:** Legible copy of both sides of your I-94, or a copy of your asylum grant letter, or immigration judge grant decision.
- b. **Lawful Permanent Residents:** Legible copy of both sides of I-551 (*Permanent Resident Card - Green Card*), or any temporary proof of permanent resident status issued by the Department of Homeland Security's USCIS (*or documents that were formerly issued by the Immigration and Naturalization Service.*)
- c. **U.S. Citizens:** Legible copy of your U.S. Passport or Naturalization Certificate (*Note: it is now legal to make a copy of this document for immigration purposes.*)

If you are filing for an adopted child, please provide a copy of the adoption papers, if available.

6. What Additional Information May Need to be Provided to Establish a Family Relationship?

You and your biological parents and children listed in Section II of the AOR will be required to provide a DNA sample at a later date to establish your relationship. By signing your name on the AOR, you are agreeing to provide the DNA sample when requested by an official of the U.S. Government, or its designated representatives. Further, by signing the AOR you are expressing your understanding that DNA testing could be requested between your Qualifying Family Member(s) and their derivative beneficiaries. Please note that if you or your claimed family members fail to submit DNA evidence upon request, your family members may be considered ineligible for refugee resettlement.

An officer of USCIS will make the final determination regarding whether a bona fide relationship exists between you and your relative(s) at the time of the interview for refugee status.

7. Who will Pay the Costs of DNA Testing?

You must pay all costs associated with DNA testing required for access to the P3 program of both you and your biological parent-child Qualifying Family Member(s). In addition, you and/or your Qualifying Family Member(s) will be expected to pay the costs of any additional testing between your Qualifying Family Member(s) and their derivative beneficiaries. Subject to available funds, the U.S. Government will reimburse the cost of DNA testing that is required for access to the P3 program if such tests confirm all claimed biological relationships.

8. What Are the General Instructions for Completing the AOR?

The DS-7656 must be completed in English. Please complete using Cerenade fill program. Handwritten applications will be returned. If you need extra space to complete any item, attach a separate continuation sheet. Indicate the item number, and date and sign each sheet.

Answer all questions fully and accurately. If you do not know the answer to a question, please write "Unknown". If questions asked do not apply to you, please state "N/A", meaning Not Applicable. For all persons, where the Date of Birth is not known, please provide an estimate and check the box; if the City/Country of Birth is not known, please provide the best guess and then explain in Section IV.

Please use the relationship codes provided at the end of this document to indicate relationships between persons, as requested on this form.

Please upload a passport style photo for each Qualifying Family Member listed in Section II. Frame the photo as a front view of the applicant's full face, from the top of the head to the shoulders with eyes open. Upload the photo in a .bmp or .tif format.

You are responsible for providing detailed information to the best of your knowledge. If you do not have all the information required BUT you can obtain the information needed, please wait to complete the AOR until all of the information is received.

Ages and other dates: Always give exact dates of birth and of significant events, like marriage, if they are known. If you can give a best-estimated date, please provide the best-estimated date and check the appropriate box.

Each Section of the AOR must be fully completed. The address of your relatives overseas must be as complete as possible. Provide the name of the refugee camp if applicable. Provide a phone number if it is known.

If a family member is deceased or the present location of the family member is unknown, please indicate, and give the date of death or last contact in the "Current or Last Known City/Country" column.

Be sure to include all relatives requested by the AOR form anywhere in the world, whether living, deceased or missing, in Section III. Use Section IV Additions/Explanations to explain any non-biological relationships, including adoptive or foster relationships.

Names: Use a complete name each time a name is requested. Do not use initials. If the person has a patronymic, substitute the patronymic for the middle name. If the middle name of the person has only one letter, or if there is any different naming structure, this should be clarified in Section IV Additions/Explanations. If anyone uses an alias, provide that information in Section IV or on a supplemental sheet.

All Dates on the AOR: All dates must comply with the following format: DD MMM YYYY (14 JAN 1965).

If there is insufficient space in any Section, please continue in Section IV or use supplemental sheets.

No agency representative or other USRAP processing partner may solicit or accept money or any other favor in order to prepare, file, or process the DS-7656.

9. What Are the Penalties for Committing Fraud?

Title 8, United States Code, Section 1325, states that any person who knowingly enters into a marriage contract for the purpose of evading any provision of the immigration laws shall be imprisoned for not more than five years, or fined not more than \$250,000, or both.

Title 18, United States Code, Section 1001, states that whoever willfully and knowingly falsifies a material fact, makes a false statement or makes use of a false document will be fined up to \$10,000 or imprisoned up to five years, or both.

If it is determined that a genuine relationship does not exist between you and the person(s) you are claiming as your relative(s), then processing of their admission to the United States as a refugee(s), and that of their family members, may be terminated.

Misrepresenting your relationship to an individual(s) so that such individual(s) may gain access to the refugee program could make you inadmissible to the United States, make you ineligible for certain immigration benefits, and/or render you subject to removal.

10. What Is Our Authority for Collecting This Information and How May We Use It?

The U.S. Department of State requests the information on this form, including the agreement of the anchor relative to provide a DNA sample at a later date, to carry out the immigration laws contained in Title 8, United States Code, Section 1157. The U.S. Department of State requests this information to assist in determining whether a family member claimed on this form is qualified to apply for access to the U.S. Refugee Admissions Program (USRAP) for purposes of family reunification. The information you provide may also be disclosed to a) the U.S. Department of Homeland Security for purposes of determining whether your relatives are eligible for admission to the United States and for verifying information provided by the family members listed on this form in any application they may make for admission to the United States under the USRAP or for any other immigration benefit under U.S. law; b) Members of Congress or other Federal, State, and local government agencies having statutory or other lawful authority, as needed for the formulation, amendment, administration, or enforcement of immigration, nationality, and other laws of the United States; and, c) international organizations and resettlement agency partners that work with the USRAP to enable them to coordinate and manage refugee processing overseas and resettlement in the United States. You do not have to complete this form and provide the requested information; however, if you refuse to give some or all of it, your relative's access to the USRAP for refugee resettlement consideration may be denied.
