“(3) The Department of Transportation is failing to meet statutorily mandated deadlines for completing rulemaking proceedings on motor carrier safety and, in some significant safety rulemaking proceedings, including driver hours-of-service regulations, extensive periods have elapsed without progress toward resolution or implementation.

“(6) The Department should rigorously avoid conflicts of interest in federally funded research.

“(7) Meaningful measures to improve safety must be implemented expeditiously to prevent increases in motor carrier crashes, injuries, and fatalities.

“(8) Proper use of Federal resources is essential to the Department’s ability to improve its research, rulemaking, oversight, and enforcement activities related to commercial motor vehicles, operators, and carriers.”
