○ Yes

○ No

**If No, what agency is the primary agency responsible for emergency management in your community?**

[                                                                    ]

**Population protected**

Provide the total permanent resident population protected by your department.

[                                                                    ]

**Source of information**

○ U.S. Census

○ Estimate

○ Other

[                                                                    ]

○ Unknown

**Area protected in square miles**

Provide an estimate of the total primary response area in square miles protected by your department.

[                                                                    ]

## Staff

### Active firefighters

Career. Enter the total number of full-time paid fire officers and firefighters. Use numeric values only. Enter a value of 0 if there are no firefighters of this type in your department.

[                                                                    ]

Volunteer. Enter the total number of firefighters who receive no compensation for their services. Use numeric values only. Enter a value of 0 if there are no firefighters of this type in your department.

[                                                                    ]

Paid per call. Enter the total number of firefighters in the department who are not full-time paid firefighters but receive compensation for their participation. Use numeric values only. Enter a value of 0 if there are no firefighters of this type in your department.

[                                                                    ]

### Nonfirefighting

Nonfirefighting volunteers. Use numeric values only. Enter a value of 0 if there are no nonfirefighting volunteers in your department.

[                                                                    ]

Civilian employees (full-time and part-time). Use numeric values only. Enter a value of 0 if there are no civilian employees in your department.

[                                                                    ]

**Paperwork burden disclosure notice**

Public reporting burden for this data collection is estimated to average 25 minutes per response. The burden estimate includes the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and submitting this survey. This information collection is voluntary. You are not required to respond to this collection of information unless a valid OMB control number is displayed on this survey. Send comments regarding the accuracy of the burden estimate and any suggestions for reducing the burden to: Information Collections Management, Department of Homeland Security, Federal Emergency Management Agency, 500 C Street, SW, Washington, DC 20472, Paperwork Reduction Project (1660-0070) NOTE: Do not send your completed form to this address.
