<p>Other change** We are requesting a change in the number of questions that Experimental Site Initiative participants in experiment 5 - Direct Loan Program -- Unequal disbursements must submit regarding the targeted groups in question series 5 (see attached copies of the old version and the requested change). Questions are being consolidated into a simpler form so schools have an easier method of reporting consistent and factual data. This change also decreases the reporting time from 11 hours per respondent to 6 hours per respondent. There is an increase in participants from 25 to 44.</p>
