

EDFacts Data Collection School Years 2016-17, 2017-18, and 2018-19

Supporting Statement Part B

OMB No. 1850-new v.1

Submitted by:

National Center for Education Statistics
Institute of Education Sciences
U.S. Department of Education

July 2, 2015

Section B. Description of Statistical Methodology

B.1. Respondent Universe

The primary universe of interest for *EDFacts* consists of the State Education Agencies, the District of Columbia, Puerto Rico, the Department of Defense Education Agency, Bureau of Indian Education, and the outlying areas and freely associated states. In total there are 61 respondents.

B.2. Statistical Methodology

There is no sampling or estimation done for the *EDFacts* collection.

B.3. Methods to Maximize Response Rates

EDFacts response rates for state education agencies are consistently 100%.

B.4. Tests of Procedures and Methods

There are no statistical procedures or methods utilized by *EDFacts*.

B.5. Reviewing Individuals

Listed below are individuals who have reviewed, in whole or in part, the *EDFacts* data collection as part of their membership in the Education Information Management Advisory Committee (EIMAC) *EDFacts* Task Force. Members of the *EDFacts* Governance Board (EDGB) and NCES *EDFacts* Program Office Liaisons also assisted in reviewing package documentation in various capacities throughout the preparation process.
