High Priority Services Requested

Net Worth Restoration Plan (NWRP)
Assistance with preparing a Net Worth Restoration Plan is available to credit unions with less than \$10 million in total assets that are classified as either undercapitalized or worse (less than 6% net worth).

Urgent Needs
Emergencies include events such as natural disasters, loss of key staff, or loss of sponsor support. A downgrade in your CAMEL rating, by itself, is not considered an urgent need. If accepted, assistance will be provided for a 6-month period.

New Charter (less than 3 years)
If the credit union has been chartered within the last 3 years.
