Name:

We greatly appreciate your response and cooperation with the Organic Certifier Survey. As we discussed, your dominant position as an organic certifier in <state> requires us to obtain your permission in order to publish state estimates. Even though you have given this permission verbally, we would like for you to sign the following statement:

I agree to the release of certified organic number of operations and acreage/livestock inventory data in <state>. I understand that I may revoke this permission at any time.
