

Pet Bird Import Home Quarantine Survey

You have received this survey because of your involvement with the USDA Animal and Plant Health Inspection Services (APHIS) Veterinary Services Pet Bird Home Quarantine program. Please provide your input on the process by answering the questions in the survey.

1. Were you able to easily find information about pet bird quarantine procedures and process on the Veterinary Services Web site? If not, what suggestions do you have for improving access to the information?

OK

2. Did Veterinary Services serve you well during the importation and quarantine process? Include your response to your experience with permit issuance (timeliness, communication, thoroughness), work with the Port Veterinarian (punctuality, courtesy, apparent skill level, services provided) and the home quarantine visit itself.

OK

3. What is your idea or concept of the risk associated with re-imports of U.S.-origin pet birds? Why do you think Veterinary Services handles these imports the way we do?

OK

4. Overall, what went well with your experience?

OK

5. Overall, what can we improve on?

OK

DONE

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0579-0377. The time required to complete this information collection is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

**OMB
APPROVED**
