

Form Approved OMB No. 0920-0666 Exp. Date: xx/xx/20xx www.cdc.gov/nhsn

Complete this survey as described in the <u>Dialysis Event Protocol</u>.

Instructions: Complete one survey per center. Surveys are completed for the current year. It is strongly recommended that the survey is completed in February of each year by someone who works in the center and is familiar with current practices within the center. Complete the survey based on the actual practices at the center, not necessarily the center policy, if there are differences. For complete instructions on the survey questions, please see the "Instructions for the Outpatient Dialysis Center Practices Survey" document available at: http://www.cdc.gov/nhsn/dialysis/dialysis-event.html#dcf.

*required to save as complete Page 1 of 7 Facility ID #: *Survey Year: ESRD Network #: A. Dialysis Center Information A.1. General *1. What is the ownership of your dialysis center? (choose one) ☐ Government ☐ Not for profit ☐ For profit *2. What is the location/hospital affiliation of your dialysis center? (choose one) ☐ Freestanding ☐ Hospital based ☐ Freestanding but owned by a hospital *3. a. What types of dialysis services does your center offer? (select all that apply) ☐ In-center daytime ☐ In-center nocturnal ☐ Peritoneal dialysis ☐ Home hemodialysis hemodialysis hemodialysis b. What patient population does your center serve? (select one) ☐ Adult only ☐ Pediatric only ☐ Mixed: adult and pediatric How many in-center hemodialysis stations does your center have? *4. *5. Is your center part of a group or chain of dialysis centers? ☐ Yes □ No a. If yes, what is the name of the group or chain? *6. Do you (the person primarily responsible for collecting data for this survey) perform patient ☐ Yes □ No care in the dialysis center? *7. Is there someone at your dialysis center in charge of infection control? ☐ Yes □ No a. If yes, which best describes this person? (if >1 person in charge, select all that apply) ☐ Hospital-affiliated or other infection control practitioner comes to our unit ☐ Dialysis nurse or nurse manager ☐ Dialysis center administrator or director ☐ Dialysis education specialist ☐ Patient care technician ☐ Other, specify: Is there a dedicated vascular access nurse/coordinator (either full or part-time) at your center? ☐ Yes *8. □ No Assurance of Confidentiality: The voluntarily provided information obtained in this surveillance system that would permit identification of any individual or institution is collected with a guarantee that it will be held in strict confidence, will be used only for the purposes stated, and will not otherwise be disclosed or released without the consent of the individual, or the institution in accordance with Sections 304, 306 and 308(d) of the Public Health Service Act (42 USC 242b, 242k, and 242m(d)). Public reporting burden of this collection of information is estimated to average 2 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC, Reports Clearance Officer, 1600 Clifton Rd., MS D-74, Atlanta, GA 30333, ATTN: PRA (0920-0666).
