# E. Export/Re-Export of Wildlife Samples and/or Biomedical Samples (CITES)

For the export/re-export of samples from species listed under the Endangered Species Act or CITES Appendix I species (50 CFR Part 17), use application form 3-200-37 [http://www.fws.gov/international/permits/by-form-number/index.html].

The U.S. FWS may not be able to issue CITES documents for the commercial export of Appendix-I specimens, unless the specimens were obtained from animals produced at a CITES-registered Appendix-I commercial breeding operation. For more information on registering an Appendix-I commercial breeding operation, contact the Division of Management Authority at 800-358-2104 or <a href="managementauthority@fws.gov">managementauthority@fws.gov</a>.

Use this form if you are collecting in the open ocean on a U.S. registered vessel **and** transporting the specimens directly to a different country - your shipment would require a U.S. CITES export permit. In addition, if you are exporting Appendix-I specimens, an import permit issued by the country into which the specimens are transported would be required.

#### APPLICATION FORM INSTRUCTIONS

The following instructions pertain to an U.S. Fish and Wildlife Service (FWS) permit applications. The General Permit Procedures in <u>50 CFR 13</u> address the permitting process. For simplicity, all licenses, permits, registrations, and certificates are referred to as a permit.

# **GENERAL INSTRUCTIONS:**

- Complete all relevant questions in Sections A or B, C, D, and E.
- An incomplete application may cause delays in processing or may be returned to the applicant. Be sure you are filling in the appropriate application form for the proposed activity.
- Print clearly or type in the information. Illegible applications may cause delays.
- Sign the application in **blue** ink. Faxes or copies of the original signature will not be accepted.
- Mail the original application to the address at the top of page one of the applications or, if applicable, on the attached address list.
- Keep a copy of your completed application.
- Please plan ahead. Allow at least 60 days for your application to be processed, however, some applications may take longer than 90 days to process (50 CFR 13.11).
- Applications are processed in the order they are received.

#### **SECTION A OR SECTION B:**

# Section A. Complete if applying as an individual [do not complete this section if applying for Import/Export License (3-200-3)]:

- Enter the complete name of the responsible individual who will be the permittee if a permit is issued. Enter personal information that identifies the applicant. **Fax and e-mail, while helpful in processing, are not required.**
- If you are applying on behalf of a client, the personal information must pertain to the client, and a document evidencing **power of attorney** must be included with the application.
- Affiliation/ Doing business as (dba): business, agency, organizational, Tribe, or institutional affiliation *directly* related to the activity requested in the application (e.g., a taxidermist is an individual whose business can *directly* relate to the requested activity). The Division of Management Authority (DMA) and the Office of Law Enforcement (OLE) do **not** accept *doing business as* affiliations for individuals (complete Section B)..

## Section B. Complete if applying as a business, corporation, public agency, Tribe, or institution:

- Enter the complete name of the business, agency, or institution that will be the permittee if a permit is issued. Give a brief description of the type of business the applicant is engaged in. Provide contact phone number(s) of the business. If you are applying on behalf of a client, a document evidencing power of attorney must be included with the application.
- **Principal Officer** is the person in charge of the listed business, corporation, public agency, Tribe, or institution. The principal officer is the person responsible for the application and any permitted activities. Often the principal officer is a Director or President. **Primary Contact** is the person at the business, corporation, public agency, or institution who will be available to answer questions about the application or permitted activities. Often this is the preparer of the application.

## ALL APPLICANTS COMPLETE SECTION C:

- For all applications submitted to the Division of Management Authority (DMA) and Office of Law Enforcement (OLE), a physical U.S. address is **required**. Province and Country blocks are provided for those USFWS programs that use foreign addresses and are not required by DMA.
- Mailing address is the address to which communications from USFWS should be mailed if different from applicant's physical address.

# ALL APPLICANTS COMPLETE SECTION D:

#### Section D.1 **Application processing fee:**

- An application processing fee is required at the time of application, unless exempted under 50 CFR13. The application processing fee is assessed to partially cover the cost of processing a request. The fee does not guarantee the issuance of a permit, nor will fees be refunded for applications for which processing has begun.
- Documentation of fee exempt status is not required for applications submitted by Federal, Tribal, State, or local government agencies; but must be supplied by those applicants acting on behalf of such agencies. Such applications must include a letter on agency letterhead and signed by the head of the unit of government for which the applicant is acting on behalf, confirming that the applicant will be carrying out the permitted activity for the agency.

#### Section D.2 Federal Fish and Wildlife permits:

• List the number(s) of your most recent issued USFWS permit. If applying for re-issuance of a CITES permit, the original permit must be returned with this application.

## Section D.3 **CERTIFICATION**:

• The individual identified in Section A, the principal officer named in Section B, or person with a valid power of attorney (documentation must be included in the application) must sign and date the application in blue ink. This signature legally binds the applicant to the statement of certification. You are certifying that you have read and understand the regulations that apply to the permit. You are also certifying that all information included in the application is true to the best of your knowledge. Be sure to read the statement and reread the application and your answers before signing.

- General Provisions, 50 CFR 10;
- i. General Permit Procedures, 50 CFR 13; and
- j. Wildlife Provisions (Import/export/transport), 50 CFR 14.
- 2. Information requested in this form is purely voluntary. However, submission of requested information is required in order to process applications for permits authorized under the above laws. Failure to provide all requested information may be sufficient cause for the U.S. Fish and Wildlife Service to deny the request. We may not conduct or sponsor and you are not required to respond to collection of information unless it displays a currently valid OMB control number.
- 3. Certain applications for permits authorized under the Endangered Species Act of 1973 (16 U.S.C. 1539) and the Marine Mammal Protection Act of 1972 (16 U.S.C. 1374) will be published in the **Federal Register** as required by the two laws.
- 4. Disclosures outside the Department of the Interior may be made without the consent of an individual under the routine uses listed below, if the disclosure is compatible with the purposes for which the record was collected. (Ref. 68 FR 52611, September 4, 2003)
  - a. Routine disclosure to subject matter experts, and Federal, Tribal, State, local, and foreign agencies, for the purpose of obtaining advice relevant to making a decision on an application for a permit or when necessary to accomplish a FWS function related to this system of records.
  - b. Routine disclosure to the public as a result of publishing **Federal Register** notices announcing the receipt of permit applications for public comment or notice of the decision on a permit application.
  - c. Routine disclosure to Federal, Tribal, State, local, or foreign wildlife and plant agencies for the exchange of information on permits granted or denied to assure compliance with all applicable permitting requirements.
  - d. Routine disclosure to Captive-bred Wildlife registrants under the Endangered Species Act for the exchange of authorized species, and to share information on the captive breeding of these species.
  - e. Routine disclosure to Federal, Tribal, State, and local authorities who need to know who is permitted to receive and rehabilitate sick, orphaned, and injured birds under the Migratory Bird Treaty Act and the Bald and Golden Eagle Protection Act; federally permitted rehabilitators; individuals seeking a permitted rehabilitator with whom to place a bird in need of care; and licensed veterinarians who receive, treat, or diagnose sick, orphaned, and injured birds
  - f. Routine disclosure to the Department of Justice, or a court, adjudicative, or other administrative body or to a party in litigation before a court or adjudicative or administrative body, under certain circumstances.
  - g. Routine disclosure to the appropriate Federal, Tribal, State, local, or foreign governmental agency responsible for investigating, prosecuting, enforcing, or implementing statutes, rules, or licenses, when we become aware of a violation or potential violation of such statutes, rules, or licenses, or when we need to monitor activities associated with a permit or regulated use.
  - h. Routine disclosure to a congressional office in response to an inquiry to the office by the individual to whom the record pertains.
  - i. Routine disclosure to the Government Accountability Office or Congress when the information is required for the evaluation of the permit programs.
  - j. Routine disclosure to provide addresses obtained from the Internal Revenue Service to debt collection agencies for purposes of locating a debtor to collect or compromise a Federal claim against the debtor or to consumer reporting agencies to prepare a commercial credit report for use by the FWS.
- 5. For individuals, personal information such as home address and telephone number, financial data, and personal identifiers (social security number, birth date, etc.) will be removed prior to any release of the application.
- 6. The public reporting burden on the applicant for information collection varies depending on the activity for which a permit is requested. The relevant burden for an Import/Export/Re-Export of Trophies of Wildlife Samples and/or Biomedical Samples application is 2 hours 30 minutes. This burden estimate includes time for reviewing instructions, gathering and maintaining data and completing and reviewing the form. You may direct comments regarding the burden estimate or any other aspect of the form to the Service Information Clearance Officer, U.S. Fish and Wildlife Service, Mail Stop 2042-PDM, U.S. Department of the Interior, 1849 C Street, NW, Washington D.C. 20240.

#### Freedom of Information Act - Notice

For organizations, businesses, or individuals operating as a business (i.e., permittees not covered by the Privacy Act), we request that you identify any information that should be considered privileged and confidential business information to allow the Service to meet its responsibilities under FOIA. Confidential business information must be clearly marked "Business Confidential" at the top of the letter or page and each succeeding page and must be accompanied by a non-confidential summary of the confidential information. The non-confidential summary and remaining documents may be made available to the public under FOIA [43 CFR 2.13(c)(4), 43 CFR 2.15(d)(1)(i)].
