## E. IMPORT/ ACQUISITION / TRANSPORT OF INJURIOUS WILDLIFE

For any activity involving species listed as injurious [50 CFR 16], you must submit this application to apply for:

- a permit for the **IMPORTATION** (i.e., bringing from another country) of a specimen of a species that your institution is not currently authorized to maintain OR for the **IMPORTATION** of additional specimens of a species your institution has already been authorized to maintain. PROCESSING FEE for permit = \$100.
- a permit for the **ACQUISITION** (i.e., obtaining a specimen from another state) of a species within the United States that your institution is not currently authorized to maintain. PROCESSING FEE for permit = \$100.
- a letter authorizing the **TRANSPORTATION** or movement of animals from one exhibit to another within the same permitted institution OR between institutions that are already permitted to maintain the same injurious species. For transport between institutions already permitted to maintain the species, the sending institution must request authorization to transport injurious wildlife. PROCESSING FEE for letter of authorization = \$25.
- a permit to **EXHIBITION FOR EDUCATION** purposes where a permitting institution is authorized to move one or more specimens of an injurious species across state lines for education purposes. The permitting animals must return to the originating institution. PROCESSING FEE for permit = \$100.

If you are requesting authorization for activities that involving *Pteropus rodricensis*, a bat species also listed under the Endangered Species Act, you must complete Section E of form 3-200-37 and include your responses with this application (<http://www.fws.gov/international/pdf/permit-application-form-3-200-37-export-import-interstate-and-foreign-commerce-take-of-animals.pdf>).

Complete all questions on this application. Mark questions that are not applicable with "N/A". If needed, use a separate sheet of paper. On all attachments or separate sheets you submit, please indicate the application question number you are addressing. If you are applying for multiple specimens, be sure to indicate which specimen you are addressing in each response.

1. For EACH species and specimen:
  - a. Scientific name (genus, species, and if applicable, subspecies) and common name:
  - b. Birth/hatch date (MM/DD/YYYY):
  - c. Gender (if known):
  - d. Description/identification (e.g., ISIS number, studbook number):
2. Current location of specimen(s):
3. Are you currently authorized to maintain the requested species?  
\_\_\_NO \_\_\_YES; provide permit #\_\_\_\_\_

4. What is the proposed activity (check appropriate section)?
- Importation (other permits may be necessary under CITES and/or ESA)
  - Acquisition** (first time your institution requested the species/specimens in question #1)
  - Transport across state lines** for export (other permits may be necessary under CITES and/or ESA)
  - Transport **within** a permitted institution (from an approved holding area to an unapproved area)
  - Transport **between** permitted institutions  
Receiving institution's injurious wildlife permit no. \_\_\_\_\_  
(Your institution is the sending institution)
  - Transport across state lines for **educational purposes**
5. Purpose of Activity (check all appropriate choices):
- Scientific                       Zoological
  - Educational                       Medical
6. Provide brief description, such as project proposal, of your proposed activity.
7. Name and address of your facilities where specimens will be housed and maintained:
8. Injurious wildlife must be maintained in double escape-proof enclosures (e.g., two separate containment systems to ensure against escape) at all times. Provide a description, including photographs and diagrams, of the following that identifies how containers and facilities are double escape-proof:
- a. All transportation containers that will be used with the species; and
  - b. All permanent facilities where specimens will be held, including display facilities, off-display holding areas, and veterinarian/hospital facilities where the species might be held.
9. Provide:
- a. qualifications of the individuals who care for or who will care for and handle the animals, including the number of years of experience with this species or similar species; and
  - b. the overall experience of the institution in holding and maintaining the species.
10. Provide copies of State authorization(s) required for your facility to possess/maintain injurious wildlife species or if permit is not required the name and phone number of the State contact person or office for verification that no authorization is required. If moving animals across state

lines for export, you may be required to meet regulatory requirements of each state. Please indicate what states you will be traveling through and copies of any authorizations required.

11. If applying for mammals, please provide a copy of your USDA emergency contingency plan.
12. For import, provide the name and address of person(s) or institution(s) in the foreign country from whom you will obtain the specimens(s).
13. For acquiring specimens from within the United States:
  - a. Provide the name and address of person(s) or institution(s) from whom you will obtain the specimen(s).
  - b. If the animal(s) was previously imported, specify the name of the importer and permit number under which the animal(s) was imported; OR
  - c. If the animal(s) is progeny of animals previously imported, provide the information on the location and date of birth.
14. For transporting for educational purposes: Injurious wildlife can be moved across state lines for education purposes by an institution, provided that possession of the animal is not transferred and that the specimens are maintained in double escape proof containment at all times. Provide a description of your education program and the materials/script of the program. Please also discuss how the specimen being moved will be maintained in double escape proof containment throughout the transport and presentation of the specimen.
15. Name and address where you wish permit mailed, **if** different from page 1 (All permits will be mailed via the U.S. Postal Service, unless you identify an alternative means below):
16. If you wish the permit to be delivered by means other than USPS regular mail, provide an air bill, pre-paid envelope, or billing information. If you do not have a pre-paid envelope or air bill and wish to pay for a courier service with your credit card, please check the box below. Please **DO NOT** include credit card number or other information; you will be contacted for this information.  
 If a permit is issued, please send it via a courier service to the address on page 1 or question 8. I understand that you will contact me for my credit card information once the application has been processed.
17. Who should we contact if we have questions about the application? (Include name, phone number, and email):

18. **Disqualification Factor.** A conviction, or entry of a plea of guilty or nolo contendere, for a felony violation of the Lacey Act, the Migratory Bird Treaty Act, or the Bald and Golden Eagle Protection Act disqualifies any such person from receiving or exercising the privileges of a permit, unless such disqualification has been expressly waived by the Service Director in response to a written petition. [50 CFR 13.21)]. Have you or any of the owners of the business, if applying as a business, been convicted, or entered a plea of guilty or nolo contendere, forfeited collateral, or are currently under charges for any violations of the laws mentioned above?

Yes  No If you answered “Yes” provide: a) the individual’s name, b) date of charge, c) charge(s), d) location of incident, e) court, and f) action taken for each violation.

## PERMIT APPLICATION FORM INSTRUCTIONS

The following instructions pertain an application for a U.S. Fish and Wildlife Service or CITES permit. The General Permit Procedures in 50 CFR 13 address the permitting process. For simplicity, all licenses, permits, registrations, and certificates are referred to as a permit.

### GENERAL INSTRUCTIONS:

- Complete all blocks/lines/questions in Sections A or B, C, D, and E.
- **An incomplete application may cause delays in processing or may be returned to the applicant. Be sure you are filling in the appropriate application form for the proposed activity.**
- Print clearly or type in the information. Illegible applications may cause delays.
- Sign the application in [blue](#) ink. Faxes or copies of the original signature will not be accepted.
- Mail the original application to the address at the top of page one of the application or if applicable on the attached address list.
- **Keep a copy of your completed application.**
- **Please plan ahead. Allow at least 60 days for your application to be processed. Some applications may take longer than 90 days to process. (50 CFR 13.11)**
- Applications are processed in the order they are received.

Additional forms and instructions are available from. <http://www.fws.gov/forms/display.cfm?number1=200>

### COMPLETE EITHER SECTION A OR SECTION B:

#### Section A. Complete if applying as an individual:

- Enter the complete name of the responsible individual who will be the permittee if a permit is issued. Enter personal information that identifies the applicant. **Fax and e-mail are not required if not available.**
- If you are applying on behalf of a client, the personal information must pertain to the client, and a document evidencing power of attorney must be included with the application.
- **Affiliation/ Doing business as (dba):** business, agency, organizational, or institutional affiliation *directly* related to the activity requested in the application (e.g., a taxidermist is an individual whose business can *directly* relate to the requested activity). The Division of Management Authority (DMA) will **not** accept *doing business as* affiliations for individuals.

#### Section B. Complete if applying as a business, corporation, public agency, Tribe, or institution:

- Enter the complete name of the business, agency Tribe, or institution that will be the permittee if a permit is issued. Give a brief description of the type of business the applicant is engaged in. Provide contact phone number(s) of the business.
- **Principal Officer** is the person in charge of the listed business, corporation, public agency, Tribe, or institution. The principal officer is the person responsible for the application and any permitted activities. Often the principal officer is a Director or President. **Primary Contact** is the person at the business, corporation, public agency, or institution who will be available to answer questions about the application or permitted activities. Often this is the preparer of the application.

### ALL APPLICANTS COMPLETE SECTION C:

- For all applications submitted to the Division of Management Authority (DMA) a physical U.S. address is **required**. Province and Country blocks are provided for those USFWS programs which use foreign addresses and are not required by DMA..
- **Mailing address** is address where communications from USFWS should be mailed if different than applicant's physical address.

### ALL APPLICANTS COMPLETE SECTION D:

#### Section D.1 Application processing fee:

- An application processing fee is required at the time of application; unless exempted under 50 CFR13.11(d)(3). The application processing fee is assessed to partially cover the cost of processing a request. **The fee does not guarantee the issuance of a permit. Fees will not be refunded for applications that are approved, abandoned, or denied.** We may return fees for withdrawn applications prior to any significant processing occurring.
- **Documentation of fee exempt status is not required for Federal, Tribal, State, or local government agencies; but must be supplied by those applicants acting on behalf of such agencies.** Those applicants acting on behalf of such agencies must submit a letter on agency letterhead and signed by the head of the unit of government for which the applicant is acting on behalf, confirming that the applicant will be carrying out the permitted activity for the agency.

#### Section D.2 Federal Fish and Wildlife permits:

- List the number(s) of your most current FWS or CITES permit or the number of the most recent permit if none are currently valid. If applying for re-issuance of a CITES permit, the original permit must be returned with this application.

#### Section D.3 CERTIFICATION:

- **The individual identified in Section A, the principal officer named in Section B, or person with a valid power of attorney (documentation must be included in the application) must sign and date the application in blue ink.** This signature binds the applicant to the statement of certification. This means that you certify that you have read and understand the regulations that apply to the permit. You also certify that everything included in the application is true to the best of your knowledge. Be sure to read the statement and re-read the application and your answers before signing.

  - j. Wildlife Provisions (Import/export/transport), 50 CFR 14.
2. Information requested in this form is purely voluntary. However, submission of requested information is required in order to process applications for permits authorized under the above laws. Failure to provide all requested information may be sufficient cause for the U.S. Fish and Wildlife Service to deny the request. We may not conduct or sponsor and you are not required to respond to collection of information unless it displays a currently valid OMB control number.
3. Certain applications for permits authorized under the Endangered Species Act of 1973 (16 U.S.C. 1539) and the Marine Mammal Protection Act of 1972 (16 U.S.C. 1374) will be published in the **Federal Register** as required by the two laws.
4. Disclosures outside the Department of the Interior may be made without the consent of an individual under the routine uses listed below, if the disclosure is compatible with the purposes for which the record was collected. (Ref. 68 FR 52611, September 4, 2003)
  - a. Routine disclosure to subject matter experts, and Federal, Tribal, State, local, and foreign agencies, for the purpose of obtaining advice relevant to making a decision on an application for a permit or when necessary to accomplish a FWS function related to this system of records.
  - b. Routine disclosure to the public as a result of publishing **Federal Register** notices announcing the receipt of permit applications for public comment or notice of the decision on a permit application.
  - c. Routine disclosure to Federal, Tribal, State, local, or foreign wildlife and plant agencies for the exchange of information on permits granted or denied to assure compliance with all applicable permitting requirements.
  - d. Routine disclosure to Captive-bred Wildlife registrants under the Endangered Species Act for the exchange of authorized species, and to share information on the captive breeding of these species.
  - e. Routine disclosure to Federal, Tribal, State, and local authorities who need to know who is permitted to receive and rehabilitate sick, orphaned, and injured birds under the Migratory Bird Treaty Act and the Bald and Golden Eagle Protection Act; federally permitted rehabilitators; individuals seeking a permitted rehabilitator with whom to place a bird in need of care; and licensed veterinarians who receive, treat, or diagnose sick, orphaned, and injured birds.
  - f. Routine disclosure to the Department of Justice, or a court, adjudicative, or other administrative body or to a party in litigation before a court or adjudicative or administrative body, under certain circumstances.
  - g. Routine disclosure to the appropriate Federal, Tribal, State, local, or foreign governmental agency responsible for investigating, prosecuting, enforcing, or implementing statutes, rules, or licenses, when we become aware of a violation or potential violation of such statutes, rules, or licenses, or when we need to monitor activities associated with a permit or regulated use.
  - h. Routine disclosure to a congressional office in response to an inquiry to the office by the individual to whom the record pertains.
  - i. Routine disclosure to the Government Accountability Office or Congress when the information is required for the evaluation of the permit programs.
  - j. Routine disclosure to provide addresses obtained from the Internal Revenue Service to debt collection agencies for purposes of locating a debtor to collect or compromise a Federal claim against the debtor or to consumer reporting agencies to prepare a commercial credit report for use by the FWS.
5. For individuals, personal information such as home address and telephone number, financial data, and personal identifiers (social security number, birth date, etc.) will be removed prior to any release of the application.
6. The public reporting burden on the applicant for information collection varies depending on the activity for which a permit is requested. The relevant burden for an Import/Acquisition/Transport of Injurious Wildlife application is 60 minutes. This burden estimate includes time for reviewing instructions, gathering and maintaining data and completing and reviewing the form. You may direct comments regarding the burden estimate or any other aspect of the form to the Service Information Clearance Officer, U.S. Fish and Wildlife Service, Mail Stop 2042-PDM, U.S. Department of the Interior, 1849 C Street, NW, Washington D.C. 20240.
