* - Primary potential problem is:

Error indicators on the data entry screens and the highlighting of records with errors in some reports are not available in this version.

OMB Control #_1028-0082
Approval expires:1/31/2016

PAPERWORK REDUCTION ACT STATEMENT: In accordance with the Paperwork Reduction Act (44 U.S.C. 3501), please note the following. This information collection is authorized by The Migratory Bird Treaty Act, 16 U.S.C. 703-712. Reporting of banding information is required using the BANDIT software. We estimate that it will take approximately 4.5 hours to enter data files into BANDIT. An agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid Office of Management and Budget control number. OMB has reviewed and approved this information collection and assigned OMB Control Number 1028-0082. You may submit comments on any aspect of this information collection, including the accuracy of the estimated burden hours and suggestions to reduce this burden. Send your comments to: Information Collection Clearance Officer, U.S. Geological Survey, 12201 Sunrise Valley Drive, MS 807, Reston, VA 20192.
