SUPPLEMENTARY INFORMATION:**I. Abstract**

The BIE is requesting renewal of OMB approval for the Student Transportation Form. The Student Transportation regulations in 25 CFR part 39, subpart G, contain the program eligibility and criteria that govern the allocation of transportation funds. Information collected from the schools will be used to determine the rate per mile. The information collection provides transportation mileage for Bureau-funded schools, which determines the allocation of transportation funds. This information is collected using a web-based system, Office of Indian Education Programs (OIEP) MultiWeb

Intranet/WebET Intranet. Response is required to obtain a benefit.

II. Request for Comments

The BIE requests your comments on this collection concerning: (a) The necessity of this information collection for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) The accuracy of the agency's estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) Ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) Ways we could minimize the burden of the collection of the information on the respondents.

Please note that an agency may not conduct or sponsor, and an individual need not respond to, a collection of information unless it displays a valid OMB Control Number.

It is our policy to make all comments available to the public for review at the location listed in the **ADDRESSES** section. Before including your address, phone number, email address or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time.
