

SUPPORTING STATEMENT
Visa Waiver Program Carrier Agreement
(Form I-775)
OMB No. 1651-0110

A. Justification

- 1. Explain the circumstances that make the collection of information necessary. Identify any legal or administrative requirements that necessitate the collection. Attach a copy of the appropriate section of each statute and regulation mandating or authorizing the collection of information.**

Section 223 of the Immigration and Nationality Act (INA) (8 U.S.C. 1223(a)) provides for the necessity of a transportation contract. The statute provides that the Attorney General may enter into contracts with transportation lines for the inspection and administration of aliens coming into the United States from a foreign territory or from adjacent islands. No such transportation line shall be allowed to land any such alien in the United States until and unless it has entered into any such contracts which may be required by the Attorney General. Pursuant to the Homeland Security Act of 2002, this authority was transferred to the Secretary of Homeland Security.

The Visa Waiver Program Carrier Agreement (CBP Form I-775) is used by carriers to request acceptance by CBP into the Visa Waiver Program (VWP). This form is an agreement whereby carriers agree to the terms of the VWP as delineated in Section 217(e) of the INA (8 U.S.C. 1187(e)). Once participation is granted, CBP Form I-775 serves to hold carriers liable for the transportation costs, to ensure the completion of required forms, and to share passenger data. Regulations are promulgated at 8 CFR Part 217.6, Carrier Agreements. A copy of CBP Form I-775 is accessible at: <http://www.cbp.gov/sites/default/files/documents/CBP%20Form%20775.pdf>.

- 2. Indicate how, by whom, and for what purpose the information is to be used. Except for a new collection, indicate the actual use the agency has made of the information received from the current collection.**

The Visa Waiver Carrier Agreement, executed by CBP and the transportation lines _ requires carriers to ensure that all aliens transported to the United States, pursuant to this statute, meet all of the stipulated eligibility criteria prior to embarkation. It also outlines additional requirements to be satisfied by the carrier subsequent to entry and a provision whereby continual carrier violations may result in CBP's cancellation of the Agreement upon five days written notice.

- 3. Describe whether, and to what extent, the collection of information involves the use of automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g. permitting electronic submission of responses, and the basis for the decision for adopting this means of collection. Also describe any consideration of using information technology to reduce burden.**

This form cannot be automated as it is a signatory agreement between the carriers and the U.S. Government. Original signatures of responsible parties are required.

- 4. Describe efforts to identify duplication. Show specifically why any similar information already available cannot be used or modified for use for the purposes described in Item 2 above.**

This information is not duplicated in any other place or any other form.

- 5. If the collection of information impacts small businesses or other small entities, describe any methods used to minimize burden.**

This information collection does not have an impact on small businesses or other small entities.

- 6. Describe consequences to Federal program or policy activities if the collection is not conducted or is conducted less frequently.**

If this information is not collected there would be no accountability by the transportation carriers to ensure that the aliens meet entry eligibility requirements pursuant to the INA. This Agreement ensures carriers exercise greater diligence in transporting only eligible aliens, as repeated violations would warrant the termination of transportation privileges under the statute.

- 7. Explain any special circumstances.**

This information is collected in a manner consistent with the guidelines of 5 CFR 1320.5(d)(2).

- 8. If applicable, provide a copy and identify the date and page number of publication in the Federal Register of the agency's notice, required by 5 CFR 1320.8(d), soliciting comments on the information collection prior to submission to OMB. Summarize public comments received in response to that notice and describe actions taken by the agency in response to these comments. Specifically address comments received on cost and hour burden.**

Public comments were solicited through two Federal Register notices published on May 4, 2015 (Volume 80, Page 25313) on which no comments were received, and on August 25, 2015 (Volume 80, Page 51579) on which no comments have been received.

9. Explain any decision to provide any payment or gift to respondents, other than remuneration of contractors or grantees.

There is no offer of a monetary or material value for this information collection.

10. Describe any assurance of confidentiality provided to respondents and the basis for the assurance in statute, regulation, or agency policy.

A SORN entitled Non-Immigrant Information System, dated December 19, 2008 (Vol.73, Page 77739) are included in this ICR. There is no assurance of confidentiality provided to the respondents.

11. Provide additional justification for any questions of a sensitive nature, such as sexual behavior and attitudes, religious beliefs, and other matters that are commonly considered private. This justification should include the reasons why the agency considers the questions necessary, the specific uses to be made of the information, the explanation to be given to persons from whom the information is requested, and any steps to be taken to obtain their consent.

There are no questions of a sensitive nature.

12. Provide estimates of the hour burden of the collection of information.

INFORMATION COLLECTION	TOTAL ANNUAL BURDEN HOURS	NO. OF RESPONDENTS	NO. OF RESPONSES PER RESPONDENT	TOTAL RESPONSES	TIME PER RESPONSE
Form I-775	200	400	1	400	30 minutes

Public Cost

The estimated cost to the respondents is \$6,820. This is based on the estimated burden hours (200) multiplied (x) average hourly loaded rate for airline employees (\$34.10). CBP bases this wage on hourly wage data for the

occupation from the U.S. Bureau of Labor Statistics (BLS), adjusted using a BLS wage rate multiplier.

13. Provide an estimate of the total annual cost burden to respondents or record keepers resulting from the collection of information.

There are no record keeping, capital, start-up or maintenance costs associated with this information collection.

14. Provide estimates of annualized cost to the Federal Government. Also provide a description of the method used to estimate cost, which should include quantification of hours, operational expenses (such as equipment overhead, printing, and support staff), and any other expense that would not have been incurred without this collection of information.

The estimated annual cost to the Federal Government associated with the review of these records is \$12,847.62. This is based on the number of responses (400) that must be reviewed (x) the time to review and process each response (35 minutes or .583 hours) = 233 hours (x) the average hourly loaded rate for a CBP Officer (\$55.14) = \$12,847.62.

CBP bases this wage on the salary and benefits of the national average CBP Officer (job series 1895) position, which is a GS-12, Step 4. Source: Email correspondence with CBP's Office of Administration on June 25, 2015.

15. Explain the reasons for any program changes or adjustments reported in Items 12 or 13.

There are no increases or decreases to the burden hours associated with this collection of information. There are no changes to the information collected.

16. For collection of information whose results will be published, outline plans for tabulation, and publication.

This information collection will not be published for statistical purposes.

17. If seeking approval to not display the expiration date, explain the reasons that displaying the expiration date would be inappropriate.

CBP will display the expiration date for OMB approval of this information collection.

18. "Certification for Paperwork Reduction Act Submissions."

CBP does not request an exception to the certification of this information collection.

B. Collection of Information Employing Statistical Methods

No statistical methods were employed.
