
SUPPORTING STATEMENT FOR PAPERWORK REDUCTION ACT SUBMISSIONS

A. Justification

A1. Need for Information Collection

The Corporation for National and Community Service (CNCS) offers a child care benefit to eligible AmeriCorps State & National, AmeriCorps VISTA, and AmeriCorps NCCC members. This information collection consists of the forms that applicants and child care providers complete to obtain child care benefits.

A2. Indicate how, by whom, and for what purpose the information is to be used.

These forms are submitted by members of AmeriCorps and by the child care providers identified by the member for the purpose of applying for, and receiving payment for, the care of children during the day while the member is in service. Completion of this information is required to be approved and required to receive payment for invoices.

A3. Minimize Burden: Use of Improved Technology to Reduce Burden

CNCS has contracted services for the administration of child care benefits. The vendor and CNCS are currently working to have these forms offered online for submission of required information.

A4. Non-Duplication

There are no other sources of information by which CNCS can meet the purposes described in A2 (above).

A5. Minimizing for economic burden for small businesses or other small entities.

This collection of information will impact small businesses that are child care providers to AmeriCorps members. There is no economic burden to any small entities beyond the cost of staff time to fill out the required forms. This is minimized to the degree possible by only asking for the information required to verify the credentials of the child care provider and the attendance of the child at the provider's facility.

A6. Consequences of the collection if not conducted, conducted less frequently, as well as any technical or legal obstacles to reducing burden.

CNCS will be unable to provide child care benefits to AmeriCorps members and payment to providers if the information is not collected.

A7. Special circumstances that would cause information collection to be collected in a manner requiring respondents to report more often than quarterly; report in fewer than 30 days after receipt of the request; submit more than an original and two copies; retain records for more than three years; and other ways specified in the Instructions focused on statistical methods, confidentially, and proprietary trade secrets.

There are no special circumstances that would require the collection of information in any other ways specified.

A8. Provide copy and identify the date and page number of publication in the Federal Register of the Agency's notice. Summarize comments received and actions taken in response to comments. Specifically address comments received on cost and hour burden.

The 60 day *Notice* soliciting comments was published on April 15, 2015. No comments were received.

A9. Payment to Respondents

Payments are given to providers for child care services rendered which are verified through the submission of required forms.

A10. Assurance of Confidentiality and its basis in statute, regulation, or agency policy.

Information provided by respondents is subject to the Privacy Act and the following Privacy Act Notice is included on the information collection. The information requested on AmeriCorps Childcare Application is collected pursuant to 42 U.S.C 12592 and 12615 of the National and Community Service Act of 1990 as amended, and 42 U.S.C. 4953 of the Domestic Volunteer Service Act of 1973 as amended. Purposes and Uses - The information requested is collected to evaluate applications for the childcare subsidy made available to AmeriCorps members by law, and to evaluate applications to provide the childcare.
