Local Problems Require Local Solutions

Welcome to DFC Me

DFC Me (Management and Evaluation) is the Drug-Free Communities Support Program's new interactive website designed to improve communication and help your coalition better manage its grant. DFC Me is also your one-stop shop for submitting reports, sharing best practices, receiving the latest program and training updates, and also provides you with the ability to request technical assistance. We hope you take advantage of all the features our new site has to offer.

DFC Program Updates

- The application deadline for the FY 2015 DFC Program was March 18, 2015.
- Announcement of FY 2015 DFC grants will be in September, 2015.
- The application deadline for the FY 2015 DFC Mentoring Program was April 14, 2015.
- Announcement of FY 2015 DFC Mentoring grants will be in September, 2015.

The Learning Center will be a place where DFC coalitions from across the country will be able to share success stories, best practices, and even help connect you with other DFC's. Share YOUR plans for this year's National Prescription Drug Take-Back Day by **Thursday, September 10th**.

Apply for a Grant

The DFC Program operates on a yearly grant cycle that starts with a Request for Applications (RFA) being posted in January of each year. The RFA, when open, is posted on this website, [Grants.gov](#) and [SAMHSA.gov](#).

Application materials for the FY 2016 RFA will be available in January

Training & Help

Training and Technical Assistance (TA) is always available for DFC grantees. Each DFC grantee is assigned a SAMHSA Project Officer (PO) and Grants Management Specialist (GMS) once awarded a DFC grant.

The **DFC Me webinar** has been recorded. Answers to questions are in [the FAQ document \(667KB\)](#).

Training is also available to DFC Grantees via [CADCA's National Coalition Institute \(NCI\)](#) TA Manager and the [National Evaluation Team](#).
