#### 12 Sectors

The coalition **must** consist of one or more representatives from each of the **required 12 sectors**: Youth, Parent, Business, Media, School, Youth-serving organization, Law enforcement, Religious/Fraternal organization, Civic/Volunteer groups, Healthcare professional,... [more](#)

#### Six Month Existence

The coalition **must** demonstrate that members have worked together on substance abuse reduction initiatives for a period of **not less than 6 months at the time of the application**, acting through entities such as task forces, subcommittees, or community boards.

#### Mission Statement

The coalition **must** have as its principal mission the reduction of youth substance use, which, at a minimum, includes the use and abuse of drugs in a comprehensive and long-term manner, with a primary focus on youth in the community.

#### Multiple Drugs of Abuse

The coalition **must** have developed an Action Plan to reduce substance use among youth which targets multiple drugs of abuse.

Coming soon

#### DFC National Evaluation Requirement

The coalition **must** establish a system to measure and report outcomes, established and approved by the DFC Administrator, to the federal government.

Coming soon

#### Entity Eligible to Receive Federal Grants

The applicant **must** demonstrate that the coalition is an ongoing concern by demonstrating that the coalition is a non-profit organization or has made arrangements with a legal en:  
fec

Coming soon

#### One Grant at a Time Funding

Grantees/coalitions may be awarded only one grant at a time through the DFC Support Program.

Coming soon

#### Federal Request

The applicant **must** not request more than \$125,000 in federal funds per year

Coming soon

### Training & Help

Training and Technical Assistance (TA) is always available for DFC grantees. Each DFC grantee is assigned a **SAMHSA Project Officer (PO)** and **Grants Management Specialist (GMS)** once awarded a DFC grant.

The DFC Me webinar has been **recorded**. Answers to questions that came up during the webinar can be found in the **FAQ document (667KB)**.

Training is also available to DFC Grantees via **CADCA's National Coalition Institute (NCI) TA Manager** and the **National Evaluation Team**.

### Grantee Dashboard Notes

Upon logging in, the Grantee user is presented with navigation core to the overall tool. The user is given a quick snapshot of progress with the opportunity to explore additional information.

**DFC Me Dashboard** - Includes a selected Coalition information, reminders to upcoming events and statuses of reports required for compliance and information on the membership breakdown by sector. Clicking on the name of the report gives the user a shortcut to the respective reports.

**Quick Links** - Links to important information and commonly used functions

**Communications** - Broadcast information from ONDCP

**Training & Help** - Information about training opportunities available.

**Calendar** - A DFC Calendar of events and any events related to the Coalition.

Upon clicking the **Core Measures** sub navigation option within **Reporting**, the **Grantee** user is presented with the Core Measures overview page.

A history of Core Measures submissions is displayed including the due date of the next Core Measures submission.

If the core measures were submitted along with a progress report, then a check mark is displayed in the '*submitted with progress report*' column.

Clicking on '*Submit New Core Measures Data*' allows users to create a new core measures record.

### Grantee Progress Reports Overview Page Notes

Upon clicking the **Progress Report** sub navigation option within **Reporting**, the **Grantee** user is presented with the Progress Reports overview page.

A history of Progress Report submissions is displayed including the due date of the next Progress Report submission.

The Overview table also includes a Core Measures submission history to help users easily identify when the next Core Measures submission is due.

Clicking on the Report Name navigates to the details of that Progress Report or Core Measures.

### National Evaluator Survey Review Overview Notes

Upon clicking the Survey Review sub navigation option within Reporting, the National Evaluator user is presented with the Survey Review overview page.

The statuses of the coalition's survey reviews are displayed. The user may choose to view survey review submission of active or inactive surveys.

Evaluators may filter the list of survey reviews submitted by the following criteria:

- By State
- By Coalition Name
- By Principle
- By SP number
- By Status (multi select- default: Submitted, Under review selected)
- Urgent Surveys Only (check box)

**National Evaluator Survey Review Page Notes**

Upon clicking a link to a Submitted Survey Review, the Evaluator navigates to the Survey Review Details screen.

Evaluators are able to review survey details submitted by the coalitions. Evaluators can then select the approval status, upload a survey review guide and select core measures depending on the selected approval status:

If Approval Status = **Rejected – Resubmit with correct file(s)**  
 then, do NOT display *Upload Survey Review Guide* and *Select Core Measures*

If Approval Status = **Rejected – Rejected – No core measures**  
 then, do NOT display *Select Core Measures*

If Approval Status = **Partially Approved – Needs revision OR Partially Approved – Final OR Fully Approved – DFC OR Fully Approved – With STOP Act**  
 then, do NOT display *Upload Survey Review Guide* and *Select Core Measures*

#### ONDCP Dashboard Notes

Upon logging in, the ONDCP user is presented with navigation core to the overall tool. The user is given a quick snapshot of coalition statuses with the opportunity to explore additional information.

**DFC Me Dashboard** - Includes a high level status of the program. ONDCP users can also explore coalitions using the Map or List features under DFC Grantees. A breakdown of the compliance status of coalitions (current and previous reporting periods) is also displayed along with a graphical representation of that data.

**Quick Links** - Links to important information and commonly used functions

**Communications** - Broadcast information from ONDCP

**Calendar** - A list of DFC Calendar of events.

### SAMHSA Manager Dashboard Notes

Upon logging in, the SAMHSA Manager user is presented with navigation core to the overall tool. The user is given a quick snapshot of the program status with the opportunity to explore additional information.

**DFC Me Dashboard** - Includes a high level status of the program. SAMHSA Managers can also explore coalitions using the Map or List features under DFC Grantees. A breakdown of the compliance status of coalitions (current and previous reporting periods) is also displayed along with a graphical representation of that data.

**Quick Links** - Links to important information and commonly used functions

**Communications** - Broadcast information from ONDCP

**Calendar** - A DFC Calendar of events.

### SAMHSA Manager Reporting Summary Page Notes

Upon clicking the Reporting global navigation option, the SAMHSA Manager is presented with the Reporting Summary page.

By default, the user is presented with a list of all Coalitions with the ability to filter the list based on certain criteria.

A list of predefined reports (searches) are also provided for easy access. Results from these predefined searches can be further filtered down as needed. The available list of predefined reports are based on user role. Users may also create custom reports by clicking on the Create Custom Report button.

When a row is clicked in the Coalition listing, a quick snapshot of the statuses of compliance reports in progress for the selected Coalition is displayed.

### SAMHSA Project Officer Reporting Summary Page Notes

Upon clicking the Reporting global navigation option, the SAMHSA PO is presented with the Reporting Summary page.

The user is presented with a list of all assigned Coalitions with the ability to filter the list based on certain criteria.

When a row is clicked in the Coalition listing, a quick snapshot of the statuses of compliance reports in progress for the selected Coalition is displayed.

Select Filter Criteria

- State
- Coalition Name
- SP Number
- Project Coordinator
- Congressional District
- Special Population
- Specific Substance
- Zip codes served
- Grant Year
- Number of members
- Sectors of Membership
- Community Assets

Use Selected Filters
