Questionnaire for Public Trust Positions, SF 85P

Questionnaire for Public Trust Positions

Follow instructions completely or your form will be unable to be processed. If you have any questions, contact the office that provided you the form.

All questions on this form must be answered completely and truthfully in order that the Government may make the determinations described below on a complete record. Penalties for inaccurate or false statements are discussed below. If you are a current civilian employee of the federal government: failure to answer any questions completely and truthfully could result in an adverse personnel action against you, including loss of employment; with respect to Sections 21, 25, and 27, however, neither your truthful responses nor information derived from those responses will be used as evidence against you in a subsequent criminal proceeding.

Note: If you complete the SF 85P, an Authorization for Release of Medical Information Pursuant to the Health Insurance Portability and Accountability Act (HIPAA) will be provided to you only in the event information arises in an investigation that requires further inquiry for resolution, and only to resolve such issues. This release authorizes an investigator to ask your health practitioner(s) only the questions specified on the release concerning mental health consultations of which the practitioner might be aware. If you are completing the SF 85P with the supplemental SF 85P-S, this release will be provided to you if you respond "yes" to the question regarding Your Medical Record. You may also be asked to complete a specific release if more detailed information is needed from your provider.

Purpose of this Form

This form will be used by the United States (U.S.) Government in conducting background investigations and reinvestigations of persons under consideration for, or retention of, public trust positions as defined in 5 CFR 731. This form may also be used by agencies in determining whether a subject performing work for, or on behalf of, the Government under a contract should be deemed eligible for logical or physical access when duties to be performed by an employee of a contractor are equivalent to the duties performed by an employee in a public trust position. For applicants, this form is to be used only after a conditional offer of employment has been made. **This form is not to be used for National Security sensitive positions.**

Providing this information is voluntary. If you do not provide each item of requested information, however, we will not be able to complete your investigation, which will adversely affect your eligibility for a public trust position or your ability to obtain or retain Federal or contract employment, or logical or physical access. It is imperative that the information provided be true and accurate, to the best of your knowledge. Any information that you provide is evaluated on the basis of its currency, seriousness, relevance to the position and duties, and consistency with all other information about you. Withholding, misrepresenting, or falsifying information may affect your eligibility for a public trust position, or your ability to obtain or retain Federal or contract employment. In addition, withholding, misrepresenting, or falsifying information may affect your eligibility for physical and logical access to federally controlled facilities or information systems. Withholding, misrepresenting, or falsifying information may also negatively affect your employment prospects and job status, and the potential consequences include, but are not limited to, removal, debarment from Federal service, or prosecution.

This form is a permanent document that may be used as the basis for future investigations, suitability or fitness for Federal employment, fitness for contract employment, or eligibility for physical and logical access to federally controlled facilities or information systems. Your responses to this form may be compared with your responses to previous SF 85P questionnaires.

The investigation conducted on the basis of information provided on this form may be selected for studies and analyses in support of evaluating and improving the effectiveness and efficiency of the investigative and adjudicative methodologies. All study results released to the general public will delete personal identifiers such as name, social security number, and date and place of birth.

Authority to Request this Information

Depending upon the purpose of your investigation, the U.S. Government is authorized to ask for this information under Executive Orders 10450 and 10577, 13467 and 13488; sections 3301, 3302, 7301, and 9101 of title 5, United States Code (U.S.C.); parts 2, 5, 731, and 736 of title 5, Code of Federal Regulations (CFR), and Federal information processing standards.

Your Social Security Number (SSN) is needed to identify records unique to you. Although disclosure of your SSN is not mandatory, failure to disclose your SSN may prevent or delay the processing of your background investigation. The authority for soliciting and verifying your SSN is Executive Order 9397.

The Investigative Process

Background investigations for public trust positions are conducted to gather information to determine whether you are reliable, trustworthy, of good conduct and character, and loyal to the U.S. The information that you provide on this form and your Declaration for Federal Employment (OF 306) may be confirmed during the investigation. The investigation may extend beyond the time covered by this form, when necessary to resolve issues. Your current employer may be contacted as part of the investigation, although you may have previously indicated on applications or other forms that you do not want your current employer to be contacted. If you have a security freeze on your consumer or credit report file, then we may not be able to complete your investigation, which can adversely affect your eligibility for a public trust position or your ability to obtain Federal or contract employment. To avoid such delays, you **should-must** request that the consumer reporting agencies lift the freeze in these instances.

In addition to the questions on this form, inquiry also is made about your adherence to security requirements your honesty and integrity, falsification, misrepresentation, and any other behavior, activities, or associations that tend to demonstrate a person is not reliable, trustworthy, or loyal.

After a suitability determination is made, you may also be subject to periodic reinvestigations to ensure your continuing suitability for employment.

Your Personal Interview

Some investigations will include an interview with you as a routine part of the investigative process. The investigator may ask you to explain your answers to any question on this form. This provides you the opportunity to update, clarify, and explain information on your form more completely, which often assists in completing your investigation. It is imperative that the interview be conducted **immediately as soon as possible** after you are contacted. Postponements will delay the processing of your investigation, and declining to be interviewed may result in your investigation being delayed or canceled.

For the interview, you will be required to provide photo identification, such as a valid state driver's license. You may be required to provide other documents to verify your identity, as instructed by your investigator. These documents may include certification of any legal name change, Social Security card, passport, and/or your birth certificate. You may also be asked to provide documents regarding information that you provide on this form, or about other matters requiring specific attention. These matters include (a) alien registration or naturalization documentation; (b) delinquent loans or taxes, bankruptcies, judgments, liens, or other financial obligations; (c) agreements involving child custody or support, alimony, or property settlements; (d) arrests, convictions, probation, and/or parole; or (e) other matters described in court records.

You may be provided the opportunity to explain, refute, or clarify any information before a final decision is made. The United States Government does not discriminate on the basis of prohibited categories, including but not limited to race, color, religion, sex (including pregnancy and gender identity), national origin, disability, and sexual orientation, when making determinations of suitability for a public trust position.

Penalties for Inaccurate or False Statements

The U.S. Criminal Code (title 18, section 1001) provides that knowingly falsifying or concealing a material fact is a felony which may result in fines and/or up to five (5) years imprisonment. In addition, Federal agencies generally fire, or disqualify individuals who have materially and deliberately falsified these forms, and this remains a part of the permanent record for future placements. Your prospects of placement are better if you answer all questions truthfully and completely. You will have adequate opportunity to explain any information you provide on this form and to make your comments part of the record.

Should additional information be required from the health care practitioner, a separate specific release is needed, and you may be contacted for such a release at a later date.

If you are completing the SF 85P, this release will be required in the event information arises in an investigation that requires such further inquiry for resolution and only to resolve such issues.

If you are completing the SF 85P with the supplemental SF 85P-S, this release is required if you respond "yes" to the question regarding Your Medical Record.

One or more reports from consumer reporting agencies may be obtained for employment purposes pursuant to the Fair Credit Reporting Act, codified at 15 U.S.C. § 1681 et seq.

Purpose

Information provided by you on this form will be furnished to the consumer reporting agency in order to obtain information in connection with a background investigation to determine your (1) fitness for Federal employment, (2) clearance ability to perform contractual service for the Federal government, and/or (3) eligibility for a public trust position.

The information obtained may be disclosed to other Federal agencies for the above purposes in fulfillment of official responsibilities to the extent that such disclosure is permitted by law.

Information from the consumer report will not be used in violation of any applicable Federal or state equal employment opportunity law or regulation.

Authorization

I hereby authorize the investigative agency conducting my background to obtain such reports from any consumer reporting agency for employment purposes described above.

Note: If you have a security freeze on your consumer or credit report file, then we may not be able to complete your investigation, which can adversely affect your eligibility for a public trust position. To avoid such delays, you may want to consider requesting that the consumer reporting agencies lift the freeze in these instances.

Your Social Security Number (SSN) is needed to identify your unique records. Although disclosure of your SSN is not mandatory, failure to disclose your SSN may prevent or delay the processing of your background investigation.
