#### 1. Personnel Costs

- a. Gross annual payroll Total annual Medicare salaries and wages for all employees as reported on this firm's IRS Form 941, Employer's Quarterly Federal Tax Return, line 5(c) for the four quarters that correspond to the survey period or IRS Form 944 Employer's Annual Federal Tax Return, line 4(c). Include the spread on stock options that are taxable to employees as wages . 1821
- **b.** Employer's cost for fringe benefits Employer's cost for legally required programs and programs not required by law:
  - Health insurance Insurance premiums for hospital plans, medical plans, and single service plans (e.g., dental, vision, prescription drugs). Include premium equivalents for selfinsured plans and fees paid to third-party administrators (TPAs). Exclude employee contributions

#### 2. Pension plans:

- a. Defined benefit pension plans Costs for both qualified and unqualified defined pension plans. Pension plans that specify the benefit to be paid to employees upon retirement, generally either a specific amount or a percentage of compensation. Employer contributions are based on actuarial computations that include the employee's compensation and years of service and are not allocated to specific accounts maintained for employees . . 1842
- b. Defined contribution plans Costs under defined contribution plans. Pension plans that define the employer contributions to a separate account provided for each employee. The employee "benefit" at retirement depends on the amount contributed and the results of the account's activity. Examples include profit sharing plans, money purchase (e.g., 401k, 403b) and stock bonus plans (e.g., ESOPs)
