

Attachment G: Analysis Plan

Protocol for providing primary care services, including preventive services, for PLWH?					
Research Question	Clinician	Clinical Director	Medical Director	Data Extract	Analyses
Does the clinic have specific protocols for routine health care maintenance services, routine laboratory assessments, and diagnostic screenings?	5	4	3		Freq
	5	4	3		Crosstab w/ clinic level variables
What primary and preventative care services are included in the protocol	5.1	4a			Freq
	5.1	4a			Crosstab w/ clinic level variables
			3b, 3c, 3f, 3g		Qualitative focus from medical director survey
Which services are referred out (<i>see referrals</i>)	-	-	-		

What services are provided at the clinic to PLWH?					
Research Question	Clinician	Clinical Director	Medical Director	Data Extract	Analyses
As part of a protocol (<i>see Protocol</i>)	-	-	-		
As part of a comprehensive physical exam and health maintenance	7.1	6			Freq
	7.1	6			Crosstab w/ clinic level variables
What Primary Care services are provided	8.1	7.1		●	Freq
	8.1	7.1			Crosstab w/ clinic level variables
Additional services for patients with a comorbidity	9.1	8.1		●	Freq
	9.1	8.1			Crosstab w/ clinic level variables
	10	9			Freq

Who provides these services at the clinic?					
Research Question	Clinician	Clinical Director	Medical Director	Data Extract	Analyses
As part of a protocol	5.3				
As part of a comprehensive physical exam and health maintenance	7.3				
Primary Care services	8.2	7.2			Crosstab w/ services
	8.2	7.2			Crosstab w/ clinic level variables
	11	12		●	Freq
Additional services for patients with a comorbidity	1 and	8.2		●	Crosstab w/ services

Attachment G: Analysis Plan

	9.2				
	1 and 9.2	8.2		●	Crosstab w/ clinic level variables
Members of the care team in case of comorbidity	10a	9a			Freq

How often are service provided?

Research Question	Clinician	Clinical Director	Medical Director	Data Extract	Analyses
As part of a protocol	-	-			
As part of a comprehensive physical exam and health maintenance	6	5			Freq
	6	5			Crosstab w/ clinic level variables
Primary Care services	8.3	7.3		●	Crosstab w/ services
	8.3	7.3		●	Crosstab w/ clinic level variables
Additional services for patients with a comorbidity					

Research Question	Clinician	Clinical Director	Medical Director	Data Extract	Analyses
As part of a protocol	5.1	4a			Freq
	5.1	4a			Crosstab w/ clinic level variables
As part of a comprehensive physical exam and health maintenance	7.1	6			Freq
	7.1	6			Crosstab w/ clinic level variables
			5		Qualitative focus from medical director survey
Primary Care services	4	3		●	Freq
	4	3		●	Crosstab w/ clinic level variables
	8.1	7.1		●	Freq
	8.1	7.1		●	Crosstab w/ clinic level variables
What are the reasons for referring primary and preventative care services outside of your clinic?	4a	3a			Freq
	4b	3b			Freq
			5		Qualitative focus from medical director survey
Additional services for patients with a comorbidity	9.1	8.1			Freq
	9.1	8.1			Crosstab w/ clinic level variables
When is information shared as part of a referred primary care service	4d	3d		●	Freq

Attachment G: Analysis Plan

	4d	3d			Crosstab w/ clinic level variables
	8.4	7.4			Crosstab w/ services
	8.4	7.4			Crosstab w/ services
	8.5	7.5			Crosstab w/ services
	8.5	7.5			Crosstab w/ services
How is information shared as part of a referred primary care service	8.6	7.6			Crosstab w/ services
When is information shared as part of a co-morbidities service	9.4	8.4			Crosstab w/ services
	9.4	8.4			Crosstab w/ services
	9.5	8.5			Crosstab w/ services
	9.5	8.5			Crosstab w/ services
How is information shared as part of a referred co-morbidities service	9.6	8.6			Crosstab w/ services
Medical director survey questions			7,9		Qualitative focus from medical director survey

Clinic's Strengths and Weakness					
Research Question	Clinician	Clinical Director	Medical Director	Data Extract	Analyses
What are the clinic's strengths	12	13			Freq
			10, 13, 14		Qualitative focus from medical director survey
What are the clinic's challenges	13	14			Freq
			3d, 7g, 10, 12, 14		Qualitative focus from medical director survey
What are the clinician's challenges	14				Freq
Other factors in the clinic's operations			10,11,14		Qualitative focus from medical director survey
