

# Participant Form:

## The LAN Maternity Multi-Stakeholder Action Collaborative (MAC)

The LAN requests the following information, which will be used to shape the MAC goals, activities and milestones. The LAN will synthesize the information provided, but will not attribute information to any individual organization.

- 1. Organizational Details** For each representative from your organization that plans to participate in the MAC, please provide the information below. Please designate at least one person as the MAC Participant Primary Point of Contact (POC).

Organization Name		City, State	
Website Address:			
Name		<input type="checkbox"/> MAC POC	
Title			
Email		Phone	
Assistant's Name		Assistants Email/Phone	
Name		<input type="checkbox"/> MAC POC	
Title			
Email		Phone	
Assistant's Name		Assistants Email/Phone	

- 2. Organizational Goals for Participation**

Why is your organization committed to participating in the MAC, and what are your top three goals for participation? Note that the MAC will operate from December 1, 2016 – December 31, 2017.

For questions 3 and 4, please consider reviewing the [LAN Maternity Episode Payment Recommendations](#), which will provide the context for the LAN's support.

- 3. Priority Topics and Associational Outputs/Tools**

What are your top 2-3 priority areas on which you want the MAC to focus? In each of these areas, what concrete deliverables should the MAC collectively develop that would be most useful to your organization and region?

## 4. Barriers to Success

*What do you perceive as your organization's top 3 barriers – either within your organization, or within your market – which may arise and could delay progress in implementing maternity care APMs?*

## 5. Your Promising Practices to Share with Other Participants

*What are your top 2-3 promising practices related to payment reform (as it relates to delivery system redesign)?*

## 6. Helpful Tools and Resources

*What tools and resources have been most helpful to your organization in its maternity care improvement efforts? If possible, please provide links related to education, resources, tools, webinars, publications, surveys, articles, products, or services that your organization used and found helpful.*
