## Pain Report - Child

## Filling Out The Pain Report

IF YOU NEED HELP COMPLETING ANY PART OF THIS FORM, CONTACT YOUR SOCIAL SECURITY OFFICE. WE WILL HELP YOU.

The information that you give us on this form will be used by the office that makes the disability decision on this disability claim. You can help them by completing as much of the form as you can.

- Print or type.
- Do not ask a doctor or hospital to complete this form.
- Be sure to explain your answer if an explanation is requested or needed.
- If more space is needed to answer any of the questions, please use the "REMARKS" section and show the number of the question being answered.

The information we ask for on this form tells us about any pain the child has. The information includes where the pain is, how long the pain lasts, how often the pain occurs, how bad the pain is, what causes the pain, what relieves the pain and what treatment or medication makes it better.

PLEASE REMOVE THIS SHEET BEFORE RETURNING THE COMPLETED FORM.

## The Privacy And Paperwork **Reduction Acts**

See Revised PRA Sections 20 and Privacy Act amended, a Statement

(e)(1) of the Social Security Act, as his information. The information you provide us on this form will be used to make a decision on the named individual's disability claim.

Completion of this form is voluntary; however, failure to provide all or part of the information could prevent an accurate and timely decision on the named individual's claim

We rarely use this information you supply for any purpose other than for determining continuing eligibility. However, we may use it for the administration and integrity of Social Security programs. We may also disclose information to another person or to another agency in accordance with approved routine uses, which include but are not limited to the following: 1. To enable a third party or an agency to assist Social Security in establishing rights to Social Security benefits and/or coverage; 2. To comply with Federal laws requiring the release of information from Social Security records (e.g., to the Government Accountability Office and Department of Veterans' Affairs); 3. To make determinations for eligibility in similar health and income maintenance programs at the Federal, State, and local level; and, 4. To facilitate statistical research, audit, or investigative activities necessary to assure the integrity and improvement of Social Security programs.

We may also use the information you provide in computer matching programs. Matching programs compare our records with records kept by other Federal, State, or local government agencies. Information from these matching programs can be used to establish or verify a person's eligibility for Federally-funded or administered benefit programs and for repayment of payments or delinquent debts under these programs.

Additional information regarding this form, routine uses of information, and our programs and systems, is available on-line at www.socialsecurity.gov or at your local Social Security office.

**PAPERWORK REDUCTION ACT:** This information collection meets the requirements of 44 U.S.C. § 3507, as amended by Section 2 of the Paperwork Reduction Act of 1995. You do not need to answer these questions unless we display a valid Office of Management and Budget control number. We estimate that it will take about 15 minutes to read the instructions, gather the facts, and answer the questions. SEND OR BRING THE COMPLETED FORM TO YOUR **LOCAL SOCIAL SECURITY OFFICE. The office is listed** under U. S. Government agencies in your telephone directory or you may call Social Security at 1-800-772-1213 (TTY 1-800-325-0778). You may send comments on our time estimate above to: SSA, 6401 Security Boulevard, Baltimore, MD 21235-6401. Send only comments relating to our time estimate to this address, not the completed form.

Please answer the questions on the following pages concerning the pain related to the child's illnesses or injuries. Answer the questions the best you can based on what the child has told you and what you have observed. If he or she has pain in more than one part of his or her body (for example, chest pain and ear pain), please describe each one separately. Use Section 2 for the first pain, Section 3 for the second pain, and so on. If he or she has pain in more than three parts of the body, use Section 5, REMARKS, to describe

the other pains.
