This Performance Bond-Dual Obligee is issued simultaneously with a Payment Bond (“**Payment Bond**”) issued with respect to the Project. As used herein, “**Obligees**” shall mean Owner, Lender, Secretary of Housing and Urban Development (“**HUD**”) and the additional obligee(s), if any, identified in a Rider to this Bond and “**Obligee**” shall mean any of the Obligees.

1. Contractor has entered into a Construction Contract with Owner for the construction of the Project (“**Contract**”). The Contract (as the same may be now or hereafter amended by change order or otherwise) is made a part hereof by reference.

2. Lender has agreed to lend to Owner a sum of money to be secured by a mortgage between Owner and Lender (“**Security Instrument**”) on the Project that provides for advances under that certain note executed by Owner and payable to Lender (“**Note**”), in part, to make payment under the Contract, and desires protection as its interest appears, in event of default by Contractor under the Contract.
3. Contractor and Surety, jointly and severally, bind themselves, their heirs, executors, administrators, successors and assigns, to Owner and to Lender, its successors and assigns, as their respective interests appear, as Obligees, in the sum of _____ Dollars (\$_____), for the performance of the Contract. Any approved increase in the total Contract price shall increase the obligation of Obligor accordingly.
4. If the Contractor performs the Contract and fully indemnifies and saves harmless Obligees from all costs and damages which they may suffer by reason of failure to do so, and fully reimburse and repay Obligees all expenses which any Obligee may incur in making good any such default, then this obligation shall be null and void; otherwise it shall remain in full force and effect.
5. Surety shall not be liable under this Performance Bond to Obligees, or any of them, unless Obligees make payments to Contractor in accordance with the terms of the Contract as to payments, and/or perform any of the other obligations under the Contract. However, Surety shall not assert a failure by Obligees to make payments or perform obligations under the Contract unless each Obligee has been given written notice by Surety of any such failure and a reasonable period of time (but in no event less than thirty (30) days from receipt of said notice), in which to cure such failure.
6. Surety agrees that any right of action that any of Obligees herein may have under this Performance Bond may be assigned, without the consent of Contractor or Surety, to HUD, and that such assignment will in no manner invalidate or qualify this instrument.
7. The aggregate liability of Surety hereunder to Obligees or their assigns is limited to the penal sum above stated, and Surety, upon making any payment hereunder, shall be subrogated to, and shall be entitled to an assignment of, all rights of the payee, either against Contractor or against any other party liable to the payee in connection with the loss which is the subject of the payment. Notwithstanding the foregoing, no amounts paid to Owner without the written consent of Lender shall reduce the liability of Surety to Lender under this Performance Bond.
8. Any suit, action or proceeding by reason of any default whatever shall be instituted within two years after the date Owner declares Contractor in default under the Contract. If this limitation is deemed to be in contravention of any controlling law, this Performance Bond is deemed amended so as to substitute the minimum period of limitation permitted by such controlling law for the above limitation.
9. Surety hereby waives notice of any change, including changes of time, to the Contract or to related subcontracts, purchase orders and other obligations.

10. Notice to Surety, Owner, or Contractor shall be served by mailing the same by registered mail or certified mail, postage prepaid, to the address shown on this Performance Bond or to such other address as may have been previously specified by the recipient in a notice given in accordance herewith.

Each signatory below hereby certifies such signatory's statements and representations contained in this Performance Bond and all supporting documentation provided by such signatory are true, accurate, and complete. This Performance Bond has been made, presented, and delivered for the purpose of influencing an official action of HUD in insuring the Loan, and may be relied upon by HUD as a true statement of the facts contained therein.
