Determinations Terminating Investigations of Petitions for Worker Adjustment Assistance

After notice of the petitions was published in the **Federal Register** and on the Department's Web site, as required by Section 221 of the Act (19 U.S.C. 2271), the Department initiated investigations of these petitions.

The following determinations terminating investigations were issued because the petitioner has requested that the petition be withdrawn.

- 85,310, Murata Power Solutions, Inc., Mansfield, Massachusetts.
- 85,438, Distinctive Industries, Santa Fe Springs, California.

The following determinations terminating investigations were issued in cases where these petitions were not filed in accordance with the requirements of 29 CFR 90.11. Every petition filed by workers must be signed by at least three individuals of the petitioning worker group. Petitioners separated more than one year prior to the date of the petition cannot be covered under a certification of a petition under Section 223(b), and therefore, may not be part of a petitioning worker group. For one or more of these reasons, these petitions were deemed invalid.

- 85,400, Startek, Greenwood Village, Colorado.

The following determinations terminating investigations were issued because the petitioning groups of workers are covered by active certifications. Consequently, further investigation in these cases would serve no purpose since the petitioning group of workers cannot be covered by more than one certification at a time.

- 85,198, West Point Products Acquisition, LLC, Washington, Pennsylvania.
- 85,224, Catholic Health Initiatives, Englewood, Colorado.
- 85,276, John Wiley and Sons, Inc., Indianapolis.
- 85,326, Bay Area Newsgroup East Bay, LLC, Walnut Creek, California.

I hereby certify that the aforementioned determinations were

issued during the period of July 21, 2014 through July 25, 2014. These determinations are available on the Department's Web site www.doleta.gov/tradeact/taa/taa_search_form.cfm under the searchable listing of determinations or by calling the Office of Trade Adjustment Assistance toll free at 888-365-6822.

Signed at Washington, DC, this 31st day of July, 2014.

Del Min Amy Chen,
Certifying Officer, Office of Trade Adjustment Assistance.
