INSTRUCTIONS

APPLICATION FOR ANNUAL CRAB INDIVIDUAL FISHING QUOTA (IFQ) PERMIT

GENERAL

IFQ permits are issued annually to eligible persons who hold Quota Share (QS). These permits authorize their holders to harvest a specific amount of crab, under the terms and conditions set out on the permit. IFQ permits are valid for one year -- the crab year for which they are issued.

Because issuance of the correct amount and type of IFQ is entirely dependent on information provided by QS holders on their annual IFQ applications, an application that is received after June 15 may not be processed and may not yield annual IFQ.

Completed application must be received by NMFS **no later than June 15**. Applications received after June 15 may not be processed, and IFQ may not be issued to the applicant.

This application cannot be processed or approved unless applicant has met all the requirements and conditions of the CR Program, including (as appropriate) payment of all outstanding fees submitted to NMFS on or before July 31.
