

[FES] Experiment 4

Instructions & Notice

OMB Control No. 0693-0043
Expiration Date 12-31-2018

Instructions: You will see two faces will be presented side-by-side for up to 30 seconds. Based on your observations, you will rate the similarity between each pair. If you take more than 30 seconds to make a response, the faces will disappear from the screen, and you will need to enter a rating. The next pair of images will not be shown until you enter a response.

This collection of information contains Paperwork Reduction Act (PRA) requirements approved by the Office of Management and Budget (OMB). Notwithstanding any other provisions of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the PRA unless that collection of information displays a currently valid OMB control number. Public reporting burden for this collection is estimated to be 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed and completing and reviewing the collection of information. Send comments regarding this burden estimate or any aspect of this collection of information, including suggestions for reducing this burden, to the National Institute of Standards and Technology, Attn: Jonathon Phillips (jonathon.phillips@nist.gov).
