- I agree that I will make no attempt to identify individuals represented in the data or data sources if not already known except as part of authorized public health follow-up.
- I will immediately advise ASTHO of any inadvertent identification or disclosure.
- I agree that I will not use these data where it is prohibited by local or state law or federal law or regulation.
- I agree that I will transport and use the data in accordance with acceptable practices for ensuring the protection, confidentiality, and integrity of the contents. This includes making no attempt to re-identify the data outside of an authorized public health investigation.
- I understand that violation of this agreement may result in ASTHO disallowing my access to BioSense.

I have read, and I accept, the terms of the BioSense User Login Agreement.

Public reporting burden of this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB Control Number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA 0920-0824
