

Attachment C: Email Invite for the CSTE Meeting Feedback

Dear CSTE meeting attendees,

Thank you for attending the CSTE meeting on December 21, 2016 about geospatial capacity for emergency preparedness and response. I am sending this email to you to request your response to a short online survey about your current use of geospatial methods to support emergency response and anticipated future needs. Your response will assist us with determining the best way to provide GIS-related guidance.

The survey will take about five minutes to complete. To complete the survey, please click here: [<https://www.surveymonkey.com/r/7DSGLGT>]. Please note, your responses will be used only in aggregate and individual responses will not be identifiable. Your participation in this survey is voluntary. Your feedback is important to us!

We look forward to providing geospatial resources to support public health emergency preparedness and response.

Sincerely,

Erica Adams
National Environmental Public Health Internship Program
