Site location (City/County, State or Tribal area): Click here to enter location.

Date(s) you used the fact sheet: Click to enter a date.

How did you use the fact sheet?

-
Check all that apply:

- Brought it to a site visit, public meeting, or open house/availability session
- Displayed it at a table at a public meeting or open house/availability session
- Gave it to a community member during an in-person interaction
- Gave it with a community leader during an in-person interaction
- Sent it to a community member or leader via e-mail or postal mail
- Discussed it with a community member or leader but they didn't take it
- Used it to create a site-specific stress fact sheet
- Gave it to a local health provider
- Other: Click here to describe.

How many fact sheets were distributed in total (e.g. handed out and/or taken from display table)?

Enter number.

ATSDR estimates the average public reporting burden for this collection of information as 20 minutes per response, including the time for reviewing instructions, searching existing data/information sources, gathering and maintaining the data/information needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB Control Number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0923-0047).

Did anyone mention stress? [Click here to enter yes or no.](#)

If yes, how many conversations about stress did you have with:

Individuals who feel stress	Enter number.
Individuals who know others who feel stress (e.g. family member, neighbor, etc.)	Enter number.
