

Attachment C - Recruitment Email

Good morning/afternoon,

Please attend this year's CDC GIS Day, on November 15, 2017, 9am -4pm! Come out and learn how GIS is used to advance public health, or present your latest GIS-related work in a poster or oral presentations. And don't miss our annual bake-off! You can register for the event [here](#) and provide valuable feedback on how we can make this year's GIS Day even better. Plus compete in our "[Where in the World?!](#)" quiz for a chance to win a prize, awarded at GIS Day. Both the form and quiz take about 5 minutes each to complete.

Please note, your name and email will be collected only to facilitate planning and coordination of CDC GIS Day and to identify the winner of the "Where in the World?!" quiz. This information will not be retained after CDC GIS Day. Your participation in this survey is voluntary.

Thank you for your time, and we hope to see you November 15<sup>th</sup> at CDC GIS Day!

Sincerely,

GIS Planning Committee  
Geography and Geospatial Science Working Group (GeoSWG)
