CDC Laboratory Customer Satisfaction Survey

Form Approved OMB No. 0923-0047

Expiration Date: 12/31/2018

Thank you for participating in our short data collection on Customer Satisfaction of the CDC Newborn Screening Quality Assurance Program. We would like to obtain your input regarding the service that you recently experienced in support of our Quality Control (QC) and/or Proficiency Testing programs. This information will be used to identify areas of improvement.

Public reporting burden of this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for enclucing this burden to CDCATSDR Information Collection Review Office, 1600 Ciliton Road NE, MS D-74, Atlanta, Georgia, 30333, ATTN: PRA (0923-0047).
