_____	_____	_____	_____	_____	_____
_____	_____	_____	_____	_____	_____

Total Acre-feet _____

Remarks:

Note: Report to be prepared (in triplicate) no later than 5th day following end of reporting period

Mail to:
Regional Director
Attn: LC-4200, Bureau of Reclamation
PO Box 61470
Boulder City, NV 89006-1470

Mail one copy to:
Colorado River Commission of Nevada
555 East Washington Avenue, Suite 3100
Las Vegas, NV 89101-1048

One copy to be retained by Contractor

INSTRUCTIONS FOR COMPLETING FORM LC-72

Paperwork Reduction Act Statement: This information is being collected to prepare and maintain complete, detailed, and accurate records of diversions of Colorado River water, return flow to the river, and consumptive use in compliance with the Consolidated Decree of the United States Supreme Court in *Arizona v. California*, entered March 27, 2006 (547 U.S. 150 (2006)). An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless the form displays a valid Office of Management and Budget (OMB) control number.

Estimated Burden Statement: Public reporting burden for this form is estimated to be 10 minutes per response for each monthly report, including the time for reviewing instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding the burden estimate or any other aspect of this form to the Bureau of Reclamation, Boulder Canyon Operations Office, Attention: LC-4200, P.O. Box 61470, Boulder City, NV 89006-1470.

Instructions: Please type or print legibly the following information:

1. At the top section of this form:
 - a. The beginning and ending dates for the report period

2. At the middle section of this form:
 - a. Contract number of contract for delivery of Colorado River water
 - b. Name of the contractor
 - c. A checkmark to indicate the frequency of the reporting period.
 - d. The type of meter
 - e. Indicate whether or not the meter is a totalizing meter

3. At the bottom section of this form, for each meter:
 - a. Where the meter is located
 - b. Meter reading at beginning of period
 - c. Meter reading at end of period
 - d. Difference between beginning and ending meter readings
 - e. Constant for conversion to acre-feet
 - f. Acre-feet

4. In the bottom section of this form, sum all meters for total acre-feet.

5. Return copies of the completed Form LC-72 to the addresses shown at the bottom of the form.

OMB Control No. 1006-0015
Expiration Date: _____

Contractor: _____ Contract Number: _____

**DIVERSIONS OF COLORADO RIVER WATER AND RETURN FLOW FOR

Note: Completed report should be submitted by the date set forth in the water delivery contract to the Regional Director, Attn: LC-4200, Bureau of Reclamation, P.O. Box 61470, Boulder City, NV 89006.

INSTRUCTIONS FOR COMPLETING FORM LC-72A

INSTRUCTIONS FOR COMPLETING FORM LC-72A

Paperwork Reduction Act Statement: This information is being collected to prepare and maintain complete, detailed, and accurate records of diversions of Colorado River water, return flow to the river, and consumptive use in compliance with the Consolidated Decree of the United States Supreme Court in *Arizona v. California*, entered March 27, 2006 (547 U.S. 150 (2006)). An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless the form displays a currently valid Office of Management and Budget (OMB) control number.

Estimated Burden Statement: Public reporting burden for this form is estimated to be 10 minutes per year to document monthly data including the time for reviewing instructions, gathering and maintaining data, and completing and reviewing the form. You may also direct comments regarding the burden statement or any other aspect of this form to the address at the bottom of the form.

Instructions: Please type or print legibly the following information.

1. At the top section of this form
 - a. Name of the Contractor
 - b. Contract number of contract for delivery of Colorado River water
 - c. Name of the Lower Division State within which the Contractor's entitlement is included (Arizona, California, or Nevada)
 - d. Calendar year for which the form is being completed.

2. At the middle section of this form:
 - a. A checkmark to indicate the unit of measurement
 - b. Column a – diversions from river intakes, if any, during each month and the annual total
 - c. Column b – diversions from wells, if any, during each month and the annual total
 - d. Column c – metered return flows, if any, during each month and the annual total
 - e. Column d – estimated return flows, if any, during each month and the annual total
 - f. The grand total of annual diversions (sum of columns a and b)
 - g. The grand total of annual return flows (sum of columns c and d)

3. At the bottom section of this form:
 - a. If return flows are estimated, a checkmark to indicate whether the method used is as set forth in the contract or by another method. If another method is used, please provide information about the method used
 - b. List any new point(s) of diversions added during the calendar year
 - c. The name of the person submitting this report and a telephone number of someone to contact in case of questions
 - d. The date the form is completed

4. Return the completed Form LC-72A to the address shown at the bottom of the form.

INSTRUCTIONS FOR COMPLETING FORM LC-72B

INSTRUCTIONS FOR COMPLETING FORM LC-72B

Paperwork Reduction Act Statement: This information is being collected to prepare and maintain complete, detailed, and accurate records of diversions of Colorado River water, return flow to the river, and consumptive use in compliance with the Consolidated Decree of the United States Supreme Court in *Arizona v. California*, entered March 27, 2006 (547 U.S. 150 (2006)). An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the form displays a currently valid Office of Management and Budget (OMB) control number.

Estimated Burden Statement: Public reporting burden for this form is estimated to be 10 minutes which includes reviewing instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding the burden estimate or any other aspect of this form to the Bureau of Reclamation, Boulder Canyon Operations Office, Attention: LC-4200, P.O. Box 61470, Boulder City, NV 89006-1470.

Instructions: Please type or print legibly the following information.

1. In the top section of this form
 - a. Name of the Contractor
 - b. Contract number of contract for delivery of Colorado River water
 - c. Name of the Lower Division State within which the Contractor's entitlement is included (Arizona, California, or Nevada)
 - d. Calendar year for which the form is being completed.

2. In the middle section of this form:
 - a. A checkmark to indicate the unit of measurement (see note below)
 - b. Column a – diversions from river intakes, if any, during each month and the annual total
 - c. Column b – diversions from wells, if any, during each month and the annual total
 - d. Column c – metered return flows, if any, during each month and the annual total
 - e. Column d – estimated return flows, if any, during each month and the annual total
 - f. The grand total of annual diversions (sum of columns a and b)
 - g. The grand total of annual return flows (sum of columns c and d)

3. In the bottom section of this form:
 - a. Line 1 – total amount of water diverted during the calendar year (see note below)
 - b. Line 2 – per acre-foot charge for water in accordance with the water delivery contract
 - c. Line 3 – annual water diversion charge (Line 1 x Line 2)
 - d. Line 4 – annual contract administration charge in accordance with the water delivery contract
 - e. Line 5 – sum of lines 3 and 4
 - f. If return flows are estimated, insert a checkmark to indicate whether the method used is as set forth in the contract or by another method. If another method is used, please provide information about the method used
 - g. List any new point(s) of diversion added during the calendar year
 - h. The name and telephone number of the person submitting this report in case of questions
 - i. The date the form is completed

4. Return the completed Form LC-72B with a check payable to the Bureau of Reclamation in the amount shown on line 5 to the address shown at the bottom of the form.

Note: If a unit of measurement other than acre-feet is used, please convert the amount into acre-feet prior to calculating the charge for diversions. For example, 1 acre-foot equals 325,851 gallons, 43,500 cubic feet, 1,233.5 cubic meters, or 1,233,466.5 liters.
