

Angels Landing or Narrows Route Card

Dear Visitor,

Please carry this card with you for the duration of your hike today. Along the way, you will periodically encounter other survey administrators who will ask you for your card. They will record the time of day and location on the card, and will then return it to you. Each of these contacts will take less than 30 seconds, with no more than 10 total contacts throughout the day. At the end of your hike, you will be asked the answer a couple of questions on the back of the card before returning it to the survey administrator at the end of the trail. If personnel is not available, there will be a drop box that you will be able to deposit your completed card into. Thanks you for your cooperation and have a safe and fun hike today.
