

## Grand Teton Driver Survey: String and Leigh Lakes

**PAPERWORK REDUCTION and PRIVACY ACT STATEMENT:** The Paperwork Reduction Act requires us to tell you why we are collecting this information, how we will use it, and whether or not you have to respond. We are authorized by the National Park Service Protection Interpretation and research in System (54 USC §100702) to collect this information. The routine uses of this information will be for the benefit of NPS Managers and Planning staff Grand Teton National Park (GRTE) in future initiatives related to the visitor use and resource management within the String and Leigh Lakes area. The data collected will be summarized to evaluate visitor uses and expectations during their visit at GRTE. Your responses to this collection are completely voluntary and will remain anonymous. You can end the process at any time and will not be penalized in any way for choosing to do so. Data collected will only be reported in aggregates and no individually identifiable responses will be reported. A Federal agency may not conduct or sponsor, and you are not required to respond to, a collection of information unless it displays a currently valid OMB Control Number (1024-0224). We estimate that it will take about 1 minute to complete and return this on-site questionnaire. You may send comments concerning the burden estimates or any aspect of this information collection to: Dr. Peter Newman, Department Head & Professor, Recreation, Park and Tourism Management, 801 Ford Building, University Park, PA 16802, Penn State University (address) or pbn3@psu.edu (email); or Phadrea Ponds NPS Information Collection Coordinator at [pponds@nps.gov](mailto:pponds@nps.gov) (email).
