

SUPPORTING STATEMENT
(REG-157302-02)- TD 9142(final)
OMB# 1545-1841

CIRCUMSTANCES NECESSITATING COLLECTION OF INFORMATION

Section 408(q), added to the Internal Revenue Code by section 602 of the Economic Growth and Tax Relief Reconciliation Act of 2001, provides that separate accounts and annuities may be added to qualified employer plans and deemed to be individual retirement accounts and individual retirement annuities if certain requirements are met. Section 1.408(q)-1(f)(2) provides that these deemed IRAs must be held in a trust or annuity contract separate from the trust or annuity contract of the qualified employer plan. This collection of information is required to ensure that the separate requirements of qualified employer plans and IRAs are met.

2. USE OF DATA

This information will be used by the plan administrator and by the Service to ensure that the separate requirements applicable to qualified employer plans and to IRAs are satisfied..

3. USE OF IMPROVED INFORMATION TECHNOLOGY TO REDUCE BURDEN

We estimate that approximately 50% of the recordkeeping will be in electronic format.

4. EFFORTS TO IDENTIFY DUPLICATION

We have attempted to eliminate duplication within the agency wherever possible.

5. METHODS TO MINIMIZE BURDEN ON SMALL BUSINESSES OR OTHER SMALL ENTITIES

There are no small entities affected by this collection.

6. CONSEQUENCES OF LESS FREQUENT COLLECTION ON FEDERAL PROGRAMS OR POLICY ACTIVITIES

Consequences of less frequent collection on federal programs or policy activities could consist of a decrease in the amount of taxes collected by the Service, inaccurate and untimely filing of tax returns, and an increase in tax violations.

7. SPECIAL CIRCUMSTANCES REQUIRING DATA COLLECTION TO BE INCONSISTENT WITH GUIDELINES IN 5 CFR 1320.5(d)(2)

There are no special circumstances requiring data collection to be inconsistent with guidelines in 5 CFR 1320.5(d)(2).

8. CONSULTATION WITH INDIVIDUALS OUTSIDE OF THE AGENCY ON AVAILABILITY OF DATA, FREQUENCY OF COLLECTION, CLARITY OF INSTRUCTIONS AND FORMS, AND DATA ELEMENTS

This notice of proposed rulemaking (REG-157302-02), was published in the Federal Register on May 20, 2003 (68 FR 27493). No public hearing was requested or held with respect to the NPRM. Final regulations (TD 9142), were published in the Federal Register on July 22, 2004 (69 FR 43735).

In response to the Federal Register notice (80 FR 51875), dated August 26, 2015, we received no comments during the comment period regarding REG-157302-02 (Final), or TD 9142.

9. EXPLANATION OF DECISION TO PROVIDE ANY PAYMENT OR GIFT TO RESPONDENTS

No payment or gift has been provided to any respondents.

10. ASSURANCE OF CONFIDENTIALITY OF RESPONSES

Generally, tax returns and tax return information are confidential as required by 26 USC 6103.

11. JUSTIFICATION OF SENSITIVE QUESTIONS

A privacy impact assessment (PIA) has been conducted for information collected under this request as part of the "Business Master file (BMF)" and a Privacy Act System of Records notice (SORN) has been issued for these systems under IRS 22.062 – Electronic Filing Records; IRS 24.030 – Customer Account Data Engine (CADE) Individual Master File; IRS 24.046 - CADE Business Master File (BMF); IRS 34.037 - IRS Audit Trail and Security Records System. The Internal Revenue Service PIA's can be found at <http://www.irs.gov/uac/Privacy-Impact-Assessments-PIA>.

Title 26 USC 6109 requires inclusion of identifying numbers in returns, statements, or other documents for securing proper identification of persons required to make such returns, statements, or documents and is the authority for social security numbers (SSNs) in IRS systems.

12. ESTIMATED BURDEN OF INFORMATION COLLECTION

Section 1.408(q)-1(f)(2) of the proposed regulations requires that each qualified

employer that includes deemed IRAs must establish a separate trust or separate annuity contract for the deemed IRAs. We estimate that 800 employers will establish deemed IRAs as part of their qualified employer plan and that 50 hours will be required annually to satisfy the requirement that separate trusts and separate annuity contracts be maintained for the deemed IRAs. The total burden for the reporting and/ or recordkeeping is 40,000 hours.

Estimates of the annualized cost to respondents for the hour burdens shown are not available at this time.

13. ESTIMATED TOTAL ANNUAL COST BURDEN TO RESPONDENTS

There is no estimated cost burden to respondents.

14. ESTIMATED ANNUALIZED COST TO THE FEDERAL GOVERNMENT

There is no estimated annualized cost to the federal government.

15. REASONS FOR CHANGE IN BURDEN

There is no change in the paperwork burden previously approved by OMB. This form is being submitted for renewal purposes only.

16. PLANS FOR TABULATION, STATISTICAL ANALYSIS AND PUBLICATION

There are no plans for tabulation, statistical analysis and publication.

17. REASONS WHY DISPLAYING THE OMB EXPIRATION DATE IS INAPPROPRIATE

We believe that displaying the OMB expiration date is inappropriate because it could cause confusion by leading taxpayers to believe that the regulations sunset as of the expiration date. Taxpayers are not likely to be aware that the Service intends to request renewal of the OMB approval and obtain a new expiration date before the old one expires.

18. EXCEPTIONS TO THE CERTIFICATION STATEMENT ON OMB FORM 83-I

There are no exceptions to the certification statement.

Note: The following paragraph applies to the collection of information in this submission:

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number. Books or records relating to a collection of information must be

retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.
