HISTORICAL AND REVISION NOTES

Section 101 of H.R. 3105, as amended, adds a new chapter 125 to title 46, United States Code, to establish a vessel identification system for all vessels of the United States. This would include vessels documented under chapter 121 of title 46, numbered under chapter 123 of that title, or titled under the law of a State. This new chapter consists of new sections 12501-12507 as follows.

§ 12501. Establishment of a vessel identification system

(a) The Secretary of Transportation shall establish a vessel identification system to make available information under section 12503 of this title for use by the public for law enforcement and other purposes relating to—

(1) the ownership of documented vessels;

(2) the ownership of vessels numbered under chapter 123 of this title; and

(3) the ownership of vessels titled under the law of a State.

(b) The vessel identification system shall include information prescribed by the Secretary including—

(1) identifying a vessel;

(2) identifying the owner of the vessel, including—

(A) the owner's social security number or, if that number is not available, other means of identification acceptable to the Secretary; or

(B) for an owner other than an individual—
(i) the owner's taxpayer identification number; or

(ii) if the owner does not have a taxpayer identification number, the social security number of an individual who is a corporate officer, general partner, or individual trustee of the owner and who signed the application for documentation or numbering for the vessel;

(3) identifying the State in which it is titled or numbered;

(4) indicating whether the vessel is numbered or titled, or both;

(5) if titled in a State, indicating where evidence of a lien or other security interest may be found against the vessel in that State; and

(6) information assisting law enforcement officials.

(c) The Secretary may maintain information under this chapter in connection with any other information system maintained by the Secretary.

(Added Pub. L. 100-710, title I, § 101(a), Nov. 23, 1988, 102 Stat. 4735; amended Pub. L. 101-225, title III, § 302(1), Dec. 12, 1989, 103 Stat. 1922; Pub. L. 101-595, title VI, § 603(10), Nov. 16, 1990, 104 Stat. 2993.)

HISTORICAL AND REVISION NOTES

Revised section 12501

Subsection (a) of section 12501 requires the Secretary of Transportation to establish a system of information concerning vessels of the United States for law enforcement and other purposes. The Secretary is required to make available information from the system relating to the ownership of vessels documented under chapter 121 of title 46, numbered under chapter 123 of that title, and titled under the law of a State. The information is available under section 12503 for use by the public, similarly under the Ship Mortgage Act, 1920.

Subsection (b) lists the vessel identification information which is required to be maintained by the Secretary. The Secretary has the authority to prescribe other information to be maintained in addition to the items listed. For example, the Secretary may identify vessels issued fisheries permits by the Department of Commerce. The Secretary may also monitor transactions involving vessels that require approval by the

Secretary under section 9 of the Shipping Act, 1916 (46 App. U.S.C. 808) before interest or control in the vessel may be transferred to a noncitizen.

Subsection (c) clarifies that the Secretary has the flexibility to maintain this system in connection with any other information system maintained by the Secretary, including the Federal Aviation Administration system containing aircraft ownership information. This would also permit the Secretary to combine various systems and data bases maintained by the Secretary such as documentation and numbering of vessels, and safety, casualty, and law enforcement statistics.

AMENDMENTS

1990—Subsec. (b)(2)(A). Pub. L. 101-595 amended subpar. (A) generally. Prior to amendment, subpar. (A) read as follows: “the owner's social security number; or”.

(4) may establish other identification markings.

(b) The manufacturer or owner of a vessel shall affix to the vessel and maintain in the manner prescribed by the Secretary the number assigned and any other markings the Secretary may require.

(c) Once a number is assigned under this section, it may not be used by another vessel.

(d) Once a documented vessel's name is established, the name may not be changed without the approval of the Secretary.

(e) A person may not tamper with or falsify a number or other marking required under this section.

(Added Pub. L. 100-710, title I, §101(a), Nov. 23, 1988, 102 Stat. 4736.)

HISTORICAL AND REVISION NOTES

Revised section 12502

Subsection (a) of this section requires the Secretary to maintain a unique numbering system for vessels of the United States. The Secretary may use existing vessel numbering systems such as the hull identification number for this purpose, but must ensure that no two existing vessels of the United States have the same number. The Secretary should consider and propose the use of a 17-digit number to implement this requirement. This subsection also requires the Secretary to maintain a system of signal letters and to record vessel names for documented vessels. The Secretary is authorized to establish other vessel identification markings for vessels of the United States, such as hailing ports.

Subsections (b), (c), (d), and (e) contain other requirements and restrictions concerning vessel identification markings.

This section consolidates the requirements of sections 12114, 12115, 12116, and 12118 of title 46. For this reason, section 106 of this bill repeals those sections.

VESSELS NOT HAVING UNIQUE NUMBER; APPLICABILITY OF PROVISIONS FOR NUMBER ASSIGNMENT

Pub. L. 100-710, title I, §104(f), Nov. 23, 1988, 102 Stat. 4751, provided that: "Section 12502(a)(1) of title 46, United States Code (as enacted by section 101 of this Act), applies to a vessel of the United States that does not have a unique number as prescribed by the Secretary of Transportation under that section until the earlier of the following:

"(1) the next time the vessel is documented, numbered, or titled.

"(2) January 1, 1995."

§ 12503. Information available to the system

(a) Except as provided in subsections (b) and (c) of this section, a State or a State's delegate approved by the Secretary of Transportation may make information available to the Secretary if, in a manner and form prescribed by the Secretary, the State—

(1) identifies the vessel;

(2) identifies the owner of the vessel, including by—

(A) the owner's social security number or, if that number is not available, other means

of identification acceptable to the Secretary; or

(B) for an owner other than an individual—

(i) the owner's taxpayer identification number; or

(ii) if the owner does not have a taxpayer identification number, the social security number of an individual who is a corporate officer, general partner, or individual trustee of the owner and who signed the application for documentation or numbering for the vessel;

(3) identifies the State in which it is titled or numbered;

(4) indicates whether the vessel is numbered or titled, or both;

(5) if titled in a State, indicates where evidence of a lien or other security interest may be found against the vessel in that State;

(6) includes information to assist law enforcement; and

(7) includes other information agreed to by the Secretary and the State.

(b) Except as provided in subsection (c) of this section, the Secretary also may accept information under conditions and in a manner and form prescribed by the Secretary.

(c) The Secretary shall—

(1) retain information on a vessel with a preferred mortgage under section 31322(d) of this title that is no longer titled in a State making information available to the Secretary under this chapter until the mortgage is discharged or the vessel is sold; and

(2) accept information under section 31321(h) of this title only if that information cannot be provided to a State.

(Added Pub. L. 100-710, title I, §101(a), Nov. 23, 1988, 102 Stat. 4736; amended Pub. L. 101-225, title III, §302(2), Dec. 12, 1989, 103 Stat. 1922; Pub. L. 101-595, title VI, §603(10), Nov. 16, 1990, 104 Stat. 2993; Pub. L. 109-304, §15(24), Oct. 6, 2006, 120 Stat. 1704.)

HISTORICAL AND REVISION NOTES

Revised section 12503

Subsection (a) of section 12503 allows a State or approved State delegate to make vessel identification information available to the Secretary. Participation in the system is voluntary on the part of a State. A benefit to boat purchasers and financiers in States with approved titling systems participating in this system is that vessel mortgages or financing instruments made in those States are deemed to be preferred mortgages under chapter 313 of title 46, United States Code (as codified and enacted by this Act).

Under subsection (a), the Secretary may prescribe the manner and form in which the information is made available by the States. In this regard, the Committee intends that the Secretary employ the most efficient, up-to-date computer technology in maintaining information made available from the States to avoid duplication of effort in maintaining information and to reduce the costs of the system. In addition to the vessel identification information made available by States under paragraphs (1)–(6), the Secretary and a State may agree that the State make available other information. For example, the purpose for which a vessel is routinely used would be valuable information for the system.

The Committee intends that most of the information in the system will become available directly and exclusively from the States to the greatest extent possible.

However, under subsection (b), the Secretary may accept information from others under conditions and in a manner and form prescribed by the Secretary. Thus, if the Secretary discovers a valuable and reliable source of data that can be conveniently made available to the system, the Secretary can approve it.

Under paragraph (c)(1), the Secretary must maintain information on a State-titled vessel with a preferred mortgage that moves to a nonparticipating, nontitle State, until the mortgage is discharged or the vessel is sold. Under paragraph (c)(2), the Secretary must accept information submitted under section 31321 of title 46 (as enacted by this Act) concerning a discharge of a preferred mortgage on a vessel title under State law. This would be necessary if the vessel moves to a nonparticipating State, and information on that vessel would not be provided to the system by that State. This subsection will allow the Secretary to keep the vessel information system current on these matters and purge files no longer required to be maintained.

AMENDMENTS

2006—Subsec. (a). Pub. L. 109-304 substituted “delegated” for “delegee” in introductory provisions.

1990—Subsec. (a)(2)(A). Pub. L. 101-595 amended subpar. (A) generally. Prior to amendment, subpar. (A) read as follows: “the owner’s social security number; or”.

1989—Subsec. (a)(2). Pub. L. 101-225 amended par. (2) generally, adding subpars. (A) and (B).

§ 12504. Information available from the system

For law enforcement or other purposes and under conditions prescribed by the Secretary of Transportation, the Secretary—

(1) shall make available information in the vessel identification system to a State making information available under section 12503(a) of this title; and

(2) may make available information in the vessel identification system to others.

(Added Pub. L. 100-710, title I, §101(a), Nov. 23, 1988, 102 Stat. 4736; amended Pub. L. 101-225, title III, §302(3), Dec. 12, 1989, 103 Stat. 1923.)

HISTORICAL AND REVISION NOTES

Revised section 12504

This section requires that the Secretary make available information maintained in the vessel identification system to a State participating in the system for law enforcement or other purposes. The Secretary may make available information in the system to others, under conditions the Secretary may prescribe. At first, the Secretary may elect to deal only with the States. However, the Committee firmly expects that information will be made available through computer terminals in satellite offices or direct computer access by modem. In this manner, boating organizations or financial or documentation services could retrieve data without paper transactions for a fee.

AMENDMENTS

1989—Pub. L. 101-225 substituted “Secretary of Transportation, the Secretary” for “Secretary, the Secretary of Transportation”.

§ 12505. Fees

(a) The Secretary of Transportation may charge a fee under section 9701 of title 31 for providing information to or requesting information from the vessel identification system, except to—

(1) an agency; or

(2) a State making information available to the Secretary under section 12503(a) of this title.

(b) The Secretary shall deposit amounts transferred or collected under this section in the general fund of the Treasury as proprietary receipts of the Secretary and ascribed to the vessel identification system.

(Added Pub. L. 100-710, title I, §101(a), Nov. 23, 1988, 102 Stat. 4737; amended Pub. L. 101-595, title VI, §603(11), Nov. 16, 1990, 104 Stat. 2993.)

HISTORICAL AND REVISION NOTES

Revised section 12505

This section contains the authority for the Secretary to charge a fee under the user charge law, 31 U.S.C. 9701, for providing information to or requesting information from the vessel identification system. Fees may not be charged under this subsection to an agency or a State that is participating in the vessel identification system maintained by the Secretary.

Under subsection (b) of this section, the Secretary may collect an annual fee of not more than \$1.00 from the owner of a vessel of the United States under 31 U.S.C. 9701 for the vessel identification system. Since vessel owners will benefit from the vessel identification system, such as from documentation of ownership data and stolen vessel tracking, this fee is designed as a maintenance charge to owners for this service. The collection of the annual fee may be delayed by the Secretary, and an agency, State, or person may be employed to collect the fee under subsection (c). The Committee expects that the Secretary will make agreements with States to collect this fee at the time of vessel registrations. The term of these registrations varies from one to three years as permitted by chapter 123 of title 46.

Under subsection (d) of this section, if a State is employed to collect the fee, the State may retain one-half of the amounts collected, and must transfer the remainder to the Secretary. The amounts retained by a State may be used to cover the costs of making vessel identification information available to the Secretary. This includes upgrading or establishing titling systems as well as making improvements and other changes to vessel numbering systems to make information available. Because States are allowed to make improvements to their vessel titling and numbering systems with the amounts retained under this section, the costs of those programs may decrease. This could result in a corresponding decrease in State numbering fees and offset vessel identification system fees paid by vessel owners.

AMENDMENTS

1990—Subsec. (b). Pub. L. 101-595 redesignated subsec. (e) as (b) and struck out former subsec. (b) which read as follows: “In addition to any fee under subsection (a) of this section, the Secretary may collect an annual fee of not more than \$1.00 from the owner of each vessel of the United States under section 9701 of title 31 for maintaining the vessel identification system. However, the collection of that fee may be delayed under conditions prescribed by the Secretary.”

Subsecs. (c), (d). Pub. L. 101-595 struck out subsecs. (c) and (d) which read as follows:

“(c) The Secretary may employ any agency, State, or person to collect the fee established under subsection (b) of this section.

“(d) If a State is employed to collect a fee under subsection (c) of this section, the State may retain one-half of the amounts collected. A State shall transfer one-half of the amounts collected under subsection (b) of this section to the Secretary.”

Subsec. (e). Pub. L. 101-595 redesignated subsec. (e) as (b).

Subsec. (f). Pub. L. 101-595 struck out subsec. (f) which read as follows: “The amounts retained by a State under this section may be used to make information available to the Secretary and to pay incremental administrative costs.”

ANNUAL FEE PRIOR TO JAN. 1, 1992

Pub. L. 100-710, title I, §104(e)(1), Nov. 23, 1988, 102 Stat. 4751, provided that: "Before January 1, 1992, the annual fee under section 12505 of title 46, United States Code (as enacted by section 101 of this Act), is \$1.00."

§ 12506. Delegation of authority

The Secretary of Transportation may delegate to an agency, a State, or a qualified person the authority to—

- (1) establish and maintain the vessel identification system; and
- (2) charge fees under section 12505 of this title to a person making information available to or requesting information from the vessel identification system.

(Added Pub. L. 100-710, title I, §101(a), Nov. 23, 1988, 102 Stat. 4737.)

HISTORICAL AND REVISION NOTES

Revised section 12506

This section allows the Secretary to delegate the authority to establish and maintain the vessel identification system to an agency, a State, or a qualified person. The Secretary may also delegate the authority to charge fees under section 12505 for requesting information from or making information available to the vessel identification system.

§ 12507. Penalties

(a) A person shall be fined under title 18, imprisoned for not more than 2 years, or both, if the person with the intent to defraud—

- (1) provides false information to the Secretary of Transportation or a State issuing authority regarding the identification of a vessel under this chapter; or
- (2) tampers with, removes, or falsifies the unique vessel identification number assigned to a vessel under section 12502 of this title.

(b) A person is liable to the United States Government for a civil penalty of not more than \$10,000 if the person—

- (1) provides false information to the Secretary or a State issuing authority regarding the identification of a vessel under this chapter;
- (2) violates section 12502 of this title; or
- (3) fails to comply with requirements prescribed by the Secretary under section 12505 of this title.

(c) A vessel involved in a violation of this chapter, or regulation under this chapter, and its equipment, may be seized by, and forfeited to, the Government.

(d) If a person, not an individual, is involved in a violation of this chapter, the president or chief executive of the person also is subject to any penalty provided under this section.

(Added Pub. L. 100-710, title I, §101(a), Nov. 23, 1988, 102 Stat. 4737.)

HISTORICAL AND REVISION NOTES

Revised section 12507

This section establishes criminal and civil penalties for certain violations of chapter 125 of title 46 (as enacted by this Act).

AMENDMENTS

2006—Pub. L. 109-304, §16(b)(3), Oct. 6, 2006, 120 Stat. 1705, added item 13101 and redesignated former items 13101 to 13106 as 13102 to 13107, respectively.

§ 13101. Definitions

In this chapter:

- (1) **ELIGIBLE STATE.**—The term "eligible State" means a State that has a State recreational boating safety program accepted by the Secretary.

(Pub. L. 109-304, §16(b)(2), Oct. 6, 2006, 120 Stat. 1705.)

HISTORICAL AND REVISION NOTES

Section 16 of the bill [H.R. 1442, which became Pub. L. 109-304] moves the definitions relating to the recreational boating safety program from section 2102(a)(1) and (3) to chapter 131 because the terms only appear in chapter 131.

Section 16 of the bill also eliminates the special definitions of "State" and "United States" in section 2102(a)(2) as including the Trust Territory of the Pacific Islands because the Trust Territory has been terminated. See the definitions of "State" and "United States" in section 2101, which are being moved to chapter 1 and being made applicable title-wide. Those definitions already include the Northern Mariana Islands, the only component of the former Trust Territory still under United States sovereignty.
