PAPERWORK BURDEN DISCLOSURE NOTICE
FEMA Form 089-0-14

Public reporting burden for this data collection is estimated to average 2 hours per response. The burden estimate includes the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and submitting this form. This collection of information is required to obtain or retain benefits. You are not required to respond to this collection of information unless a valid OMB control number is displayed on this form. Send comments regarding the accuracy of the burden estimate and any suggestions for reducing the burden to: Information Collections Management, Department of Homeland Security, Federal Emergency Management Agency, 500 C Street, SW., Washington, DC 20472-3100, Paperwork Reduction Project (1660-0073) NOTE: Do not send your completed form to this address.

INSTRUCTIONS

Prior to completing this self-evaluation, consult current guidance from the FEMA US&R Branch

With the use of this form, three areas of readiness will be evaluated:

Operational Readiness – availability of a complement of rostered, trained, deployable, exercised members and canine search specialist teams.

Logistic Readiness – availability of equipment caches and other logistic resources to support immediate deployment.

Management Readiness – in-place resources, plans, agreements, processes, and procedures to support deployments, and meet requirements of the US&R's Preparedness Cooperative Agreements and other audit requirements.

OPERATIONAL READINESS
