Template for Heads-up Email

Dear «First_Name» «Last_Name», «Position_Title»:

On Monday, December 9th, you will receive an email invitation to participate in a survey gathering feedback on proposed topics and delivery formats for the Leadership and Management Seminar sponsored by the U.S. Department of Education's Minority Serving and Under Resourced School Division (MSURSD). The Department is interested in determining your level of interest in attending the seminar, the proposed content areas and across different delivery approaches. If you have participated in a past seminar, the Department would like to get a better understanding of the impact it had on your institutional role. Your responses will be very valuable to MSURSD in improving its services to you.

When you receive the survey, please take 5-10 minutes to provide your thoughts. Use this opportunity to let your voice be heard and know that your input will be instrumental in shaping future seminars and other MSURSD support services.

If you have any questions, please contact Brooke Shelley at brooke.shelley@windwalker.com. Thank you for your time.

Sincerely,

Leadership and Management Seminar Audience Expansion and Content/Delivery Approach Update Survey

Introduction

The U.S. Department of Education's Minority Serving and Under Resourced Schools Division (MSURSD) is interested in expanding the audience, content and delivery approaches of their Leadership and Management Seminars, which provide training on default management policies and procedures to institutional staff. The goal of this survey is to identify ways to meet the needs of the training's expanded audience.

You were selected to participate in this survey because you have been identified as a member of the audience that MSURSD believes would benefit from participating in the seminar. During this survey, you will be asked questions assessing what you would like to learn from this seminar hosted by MSURSD, your interest in specific content areas, and how likely you would be to participate in the seminar if it were presented in different formats.

The survey is expected to take approximately 10 minutes to complete and must be submitted by December 20, 2013. Thank you for taking the time to provide your feedback. If you have any questions, please contact Brooke Shelley at brooke.shelley@windwalker.com.
