

Experimental Sites Initiative - Survey
Experiment #5: [Unequal disbursements](#)

Paperwork Burden Statement

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is 1845-0045. Public reporting burden for this collection of information is estimated to average 5 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The obligation to respond to this collection is voluntary. If you have comments or concerns regarding the status of your individual submission of this survey, please contact David Rhodes, 830 First Street, NE, Room 44F1, Washington, DC, 20202 directly.

1. Name of Institution and OPE ID: *(drop down menu of participating schools)*

2. How satisfied were you with the process of finding out about the experiment (Federal Register notice, conference sessions, or webinars), applying, and learning of your school's selection to participate in this experiment? *(radio button, one and only one)*

- Very satisfied
- Somewhat satisfied
- No Opinion
- Not very satisfied
- Not at all satisfied
- I was not involved with my school's initial application or selection to participate in this experiment

3. How satisfied were you with FSA's efforts to assist your school in implementing the experiment? *(radio button, one and only one)*

- Very satisfied
- Somewhat satisfied
- No Opinion
- Not very satisfied
- Not at all satisfied
- I was not involved with my school's implementation of this experiment

4. How satisfied were you with the annual online reporting process for this experiment? *(radio button, one and only one)*

- Very satisfied
- Somewhat satisfied

Experimental Sites Initiative - Survey
Experiment #5: Unequal disbursements

- No Opinion
- Not very satisfied
- Not at all satisfied
- I was not involved with my school's reporting for this experiment

5. From a logistical perspective, how satisfied were you with the decision to end the experiment (Did FSA provide sufficient guidance and time to end the experiment smoothly on your campus?) *(radio button, one and only one)*

- Very satisfied
- Somewhat satisfied
- No Opinion
- Not very satisfied
- Not at all satisfied
- I was not involved with the administration of financial aid at this school when this experiment ended.

6. From a policy perspective, how satisfied were you with the decision to end the experiment (Do you think FSA would have been able to find more evidence in support of general adoption of the experimental rules for administering Title IV aid had the experiment been allowed to continue?) *(radio button, one and only one)*

- Very satisfied
- Somewhat satisfied
- No Opinion
- Not very satisfied
- Not at all satisfied
- I was not involved with the administration of financial aid at this school when this experiment ended.
