#### A. Overview of Information Collection

**Title of Information Collection:** Connect Home Baseline Survey Data Collection.

**OMB Approval Number:** 2528-New.

**Type of Request:** New collection.

**Form Number:** Survey.

**Description of the need for the information and proposed use:** The purpose of this effort is to support communities in the 28 ConnectHome sites in administering a baseline survey of targeted residents' current at-home Internet access. The survey administration will include the development of an outreach plan with HUD ConnectHome collaborators and communities; selection of a sample of participants to be surveyed; administration of an initial baseline internet access survey; and submission of a database, codebook, frequency output tables for collected data; and submission of a summary analysis of the collected data.

The baseline survey will provide HUD with baseline measures of in-home high-speed internet access, barriers to access among those without access, and types of devices used to access the internet. Upon establishing baseline measures, HUD's ConnectHome team will use this information to support local efforts in closing the digital divide.

**Respondents (describe):** The survey is expected to be administered by mail or by PHA staff in person or by phone to targeted assisted households at 28

ConnectHome sites. Communities are targeted different populations, which the survey's sampling process will recognize: some communities are targeting only public housing households with children, while others are also targeting voucher holders or

residents of HUD multifamily housing in addition or instead.

[Docket No. FR-5823-N-01]

**Federal Housing Administration (FHA): Points of Contact for Lienholders To Ensure Payment of Taxes Liens and Other Types of Liens on FHA Acquired Single Family Properties**

**AGENCY:** Office of the Assistant Secretary for Housing-FHA Commissioner, HUD.

**ACTION:** Notice of FHA points of contact for payment.

**SUMMARY:** This Notice proactively provides lienholders of single family properties acquired by FHA in payment of mortgage insurance claims with FHA points of contact to ensure payment of tax liens and other types of liens on these single family properties. FHA uses contractors to manage these properties and make property charge payments. Inadvertently at times, these payments remain unpaid. This Notice provides direction for taxing authorities and similarly situated entities such as homeowners associations owed money for finding the proper point of contact at HUD for payment. As litigation to enforce liens should be a last resort, HUD is providing these specific points of contact that lienholders can use to obtain payment and avoid litigation. Through a related notice published elsewhere in today's **Federal Register**, HUD provides separate points of contact for payment of taxes and other property charges which have *not* risen to lien status. Elsewhere in today's **Federal Register**, HUD is publishing an interpretive rule regarding the procedures to be followed in bringing an action to foreclose HUD's ownership interest in properties with such liens that are unpaid.

**DATES:** *Effective date:* October 15, 2015.

**FOR FURTHER INFORMATION CONTACT:** Ivery Himes, Director, Office of Single Family Asset Management, Office of Housing, Department of Housing and Urban Development, 451 7th Street SW., Room 9172, Washington, DC 20410-8000, telephone number 202-708-1672. (this is not a toll-free number). Persons with hearing or speech impairments may access this number through TTY by calling the toll-free Federal Relay Service at 800-877-8339.

**SUPPLEMENTARY INFORMATION:**

**I. Background**

This Notice provides lienholders on single family properties acquired by FHA in payment of mortgage insurance claims with a Point of Contact in each of the four Homeownership Centers (HOCs). Each one of the four HOCs

contains in its organizational structure the FHA operations staff who oversee much of the day-to-day work regarding FHA programs. Each HOC oversees on average 13 states/jurisdictions for FHA activities and has a Real Estate Owned (REO) division that handles the day-to-day oversight of FHA's acquired properties so they are (1) protected from vandalism and deterioration and (2) aggressively marketed for as high a price as possible. This Notice provides that the HUD offices that manage these properties are the proper recipients for tax bills and billings of a similar nature. In most cases, having a known point of contact to send billings should obviate the need to have to bring suit against HUD to levy on a property.

**II. Points of Contact and Procedure**

HUD's FHA single family REO properties are managed and marketed out of four HOCs that are located in Philadelphia, Pennsylvania; Atlanta, Georgia; Denver, Colorado; and Santa Ana, California (with counsel for Santa Ana being located in San Francisco).

Tax bills, condominium and homeowner association fee billings, and billings for special assessments on properties owned by FHA that have arisen to lien status are to be sent to the attention of the director of the FHA REO Divisions in the HOC which has jurisdiction over the property that is subject to the taxes and/or fees. These bills should be sent in a timely manner to the appropriate HOC so that the HOC can remit payment promptly to avoid need for litigation to enforce any liens associated with such billings.

Philadelphia HOC—has jurisdiction over properties located in Maine, Vermont, New Hampshire, Massachusetts, Rhode Island, Connecticut, New York, New Jersey, Delaware, Maryland, District of Columbia, Virginia, West Virginia, Pennsylvania, Ohio and Michigan.

The Philadelphia REO Director is the point of contact and can be reached by calling 1-800-CALLFHA (1-800-225-5342) or by writing to: Attention: Single Family HOC-REO Division, U.S.
