## Supporting Statement for Paperwork Reduction Act Submissions

### A. Justification:

1. **Reason for collection.** The housing choice voucher (HCV) program is the federal government's major program for assisting very low-income families, the elderly, and the disabled to afford decent, safe, and sanitary housing in the private market. Since housing assistance is provided on behalf of the family or individual, participants are able to find their own housing, including single-family homes, townhouses and apartments. The participant is free to choose any housing that meets the requirements of the program and is not limited to units located in subsidized housing projects.

HCVs are administered locally by public housing agencies (PHAs). The PHAs receive federal funds from the U.S. Department of Housing and Urban Development (HUD) to administer the voucher program. A family that is issued a HCV is responsible for finding a suitable housing unit of the family's choice where the owner agrees to rent under the program. This unit may include the family's present residence. Rental units must meet minimum standards of health and safety as determined by the PHA. A housing subsidy is paid to the landlord directly by the PHA on behalf of the participating family. The family then pays the difference between the actual rent charged by the landlord and the amount subsidized by the program.

Under certain circumstances, if authorized by the PHA, a family may use its voucher to purchase a modest home. Section 8(o) of the United States Housing Act of 1937 (USHA), as amended by Section 545 of the Quality Housing and Work Responsibility Act of 1998 (QHWRA) authorized the merger of the Section 8 tenant-based programs (certificate and voucher programs) into a single market-driven program (entitled the HCV program). Section 8(y) of the USHA, as amended by Section 555 of QHWRA authorized the "homeownership option" under the HCV program.

Under the HCV program, the Department enters into an Annual Contributions Contract (ACC) with PHAs to assist very low-income families to lease or purchase safe, decent, and affordable housing. PHAs are required to maintain complete and accurate program and accounting records in accordance with HUD requirements; in a manner that permits a speedy and effective audit. PHAs must maintain records on eligibility (e.g., verification of income, disability status and citizenship); records of subsidized units (e.g., unit inspection reports, rent reasonableness documentation, tenant leases and housing assistance payments (HAP) contracts.

Section 8(o)(13) of the USHA allows PHAs to project-base a portion of their tenant-based vouchers.

Authorities for the information collection under this PRA are: USHA of 1937 (42 U.S.C. 1437 et. seq); Housing and Community Development Act of 1987 (42 U.S.C. 3543); Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d); Fair Housing Act (42 U.S.C. 3601-19); Section 904 of the Stewart B. McKinney Homeless Assistance Amendments Act of 1988, as amended by Section 903 of the Housing and Community Development Act of 1992 and Section 3003 of the Omnibus Budget Reconciliation Act of 1993 (42 U.S.C. 3544).

2. **Use of information.** The requested information requirements (how, by whom and for what purpose the information is to be used) for the voucher program consists of the following:

---

#### Information Collections Required of PHAs

**Funding Application, Form HUD-52515.** Regulatory References 982.54, 982.103, and 982.158. HUD collects information from the PHA on Form HUD-52515, which is the HCV program funding application that specifies the number of units requested, as well as the PHA's objectives and plans for administering the HCV program. The application is reviewed by HUD and ranked according to the PHA's administrative capability, the need for housing assistance, and other factors specified in the Notice of Funding Availability. PHAs are required to prepare an Administrative Plan that states local PHA policy on matters for which the PHA has discretion to establish local policies. The PHA must discuss in these plans how it will operate the HCV program, e.g., organization of the waiting list, opening and closing of the waiting list, selection of families from the waiting list, terms of the voucher and occupancy policies. **Purpose: Application for benefits.**

**Allowances for Tenant Furnished Utilities and Other Services, Form HUD-52667.** Regulatory References 982.158 and 982.517. The PHA must establish a utility allowance schedule for all utilities and other services. The utility allowance is used in determining the family's monthly HAP and rental or homeownership share. The allowance is provided for those utilities paid by the family. The utility allowance schedule is determined based on the typical cost of utilities and services paid by energy-conservative households that occupy housing of a similar size and type in the same locality. The PHA must submit its initial utility allowance schedule and supporting documentation to HUD in order for HUD to ensure that the costs are reasonable. Thereafter, the updated form is not sent to HUD unless requested. This form must be submitted to HUD. **Purpose: Program planning or management; Regulatory compliance. These purposes will remain applicable to remaining forms and documents.**

**Inspection Form, HUD-52580.** Regulatory References 982.158, 982.401, 982.405 and 982.631. Form HUD-52580 (form HUD-52580-A is the same form as 52580 with the addition of detailed instructions on the form) is the inspection form used by the PHA to determine if a unit meets the housing quality standards (HQS) of the HCV program. The goal of the HCV program is to provide decent, safe and sanitary housing to very low-income families. In keeping with that goal, the primary objective of the HQS is to protect the family receiving assistance under the program by guaranteeing a basic level of assisted housing. The units must pass inspection before HAP may be paid to owners and must be re-inspected at least once a year when an assisted family continues occupancy. Annual re-inspections are not required under the homeownership option. Neither this form or the subsequent forms listed below are submitted to HUD.

**Voucher, Form HUD-52646.** Regulatory References 982.158, 982.302 and 982.629. The voucher is the document that authorizes the family to look for an eligible unit and specifies the appropriate unit size necessary to meet the family's needs. The voucher also sets forth the family's obligations under the HCV program.

**HAP Contracts and Tenancy Addenda, Forms HUD-52641, 52641A, and 52642.** Regulatory References, 982.158, 982.305, 982.308, 982.309, 982.451, 982.454, 982.620. The HAP contract is a written agreement between the PHA and the owner of a unit or manufactured home space occupied by a voucher participant. The HAP contract must be executed before the PHA can make payment on behalf of an eligible family. The HAP contract consists of three parts: Part A (Contract Information); Part B (Body of the Contract); and Part C (Tenancy Addendum). Separate tenancy addenda forms are provided to the landlord for attachment to the tenant's lease. The PHA must be provided a copy of any revisions to the lease agreed to by the owner and the tenant. Below is an explanation of each contract form.

**HAP Contract for Section 8 Tenant-Based Assistance Housing Choice Voucher Program, Form HUD-52641.** This contract form is used for all program participants except manufactured homeowners leasing the manufactured home space.

**Tenancy Addendum, Form HUD-52641-A.** This form must be attached to a copy of the lease that is provided to the tenant by the landlord. If there is any conflict between the tenancy addendum and any other provisions of the lease, the language of the tenancy addendum shall control.

**HAP Contract for Manufactured Home Space Rental, Form HUD-52642.** This contract and lease form is used for manufactured homeowners who lease the manufactured home space.

---

## Information Collected by PHAs from Program Participants

**Request for Tenancy Approval, Form HUD-52517.** Regulatory References 982.158 and 982.302. The Request for Tenancy Approval is completed and submitted by the family to the PHA when the family finds a unit that is suitable for its needs. The PHA reviews the request to determine if the owner is eligible to participate in the program, if the unit is eligible, and if the lease complies with the program and statutory requirements governing prohibited and required lease provisions.

**Statement of Homeowner Obligations Housing Choice Homeownership Voucher Program, Form HUD-52649.** Regulatory Reference 982.625 and 982.633. The PHA and family participating in the homeownership voucher program must execute a "statement of homeowner obligations" before HAP begins. This statement describes the types of information to be provided by the family during the process for determining a family's eligibility for participation in the program, and the program requirements a family must comply with as a condition of participation.

The statement indicates the homeowner's acknowledgment of obligations to provide various types of information to the PHA for the purpose of determining general eligibility for participation in the program, income eligibility, or compliance with stated program requirements.

### **Information Requirement Regarding Portability**

**Family Portability Information, Form HUD-52665.** Regulatory reference 982.158 and 982.355. This form standardizes the portability information submitted to the receiving PHA by the initial PHA. In addition, this form is used for monthly portability billing by the receiving PHA. This form also indicates if the family will be absorbed into the receiving PHA's voucher program. After the payment amount is established, the form does not need to be resubmitted until the annual recertification or if the payment amount changes between annual recertifications.

**PHA Notification to Field Office of Insufficient Funds.** Regulatory reference 982.354(e). If a PHA wants to deny portability, it must notify the local HUD Field Office if it believes it has insufficient funding to cover the HAP for a higher cost unit under portability and still have sufficient funds to pay for units currently under a HAP contract within budgetary parameters.

**Notice of Unit Approval/Denial.** Regulatory reference 982.303(c). Since vouchers are suspended between the submission of a Request for Tenancy Approval and the approval or denial of the unit for which approval was requested, the PHA must give the family written notice of the outcome of the request.

---

### **Information Required for all Voucher Recipients**

**Information Packet.** Regulatory reference 982.301(b). When a family is selected to participate in the voucher program the PHA must give the family a packet that includes written information on: (1) the term of the voucher; (2) how the PHA determines the amount of housing assistance; (3) how the PHA determines the maximum rent for an assisted unit; (4) where a family may lease a unit including portability procedures; (5) the HUD-required tenancy addendum; (6) the request for tenancy approval; (7) the PHA policy on providing information about a family to prospective owners; (8) PHA subsidy standards and exceptions to those standards; (9) the HUD brochure on how to select a unit; (10) information on federal, state and local equal opportunity laws, and a copy of the housing discrimination form; (11) a list of landlords or other parties known to the PHA who may be willing to lease a unit to the family or assist the family in finding a unit; (12) notice that if a family includes a disabled person, the family may request a current listing of accessible units known to the PHA that may be available; (13) family obligations under the program; (14) PHA informal hearing procedures.

---

### **Information Requirement from PHA to Owner**

**PHA Preparation of Information about the Tenant for the Owner.** Regulatory reference 982.307. When the PHA is approving a new unit selected by the family, the PHA must advise the owner that the PHA has not screened the family and provide the name and address of previous landlords if such information is readily available.

---

### **Information Requirement for Homeownership Voucher Contract of Sale**

**Required Contract of Sale Provisions, Housing Choice Homeownership Voucher Program.** Regulatory reference 982.631(c)(2). Before commencement of monthly homeownership assistance, a member or members of the family must enter into a contract of sale with the seller of the unit to be acquired by the family. The family must give the PHA a copy of the contract of sale. The contract of sale must specify the price and other terms of sale by the seller to the purchaser; provide that the purchaser will arrange for a pre-purchase inspection of the dwelling unit by an independent inspector selected by the purchaser; provide that the purchaser is not obligated to purchase the unit unless the inspection is satisfactory to the purchaser; provide that the purchaser is not obligated to pay for any necessary repairs; and contain a certification from the seller that the seller has not been debarred, suspended, or subject to a limited denial of participation.

---

### **Information Requirements for Project-Based Voucher (PBV) Program**

**Public Notice of PHA Request for PBV Proposals.** Regulatory reference 983.51(c). If the PHA must select proposals competitively through public notice, the public notice procedures may include publication of the notice in a local newspaper of general circulation and other means for broad circulation.

**PHA Notice of Owner Selection.** Regulatory reference 983.51(d). The PHA must give prompt written notice to the party that submitted the selected proposal and must also give prompt public notice of such selection.

**Agreement to Enter into a Housing Assistance Payments Contract. Form HUD-52531A&B.** Regulatory reference 983.152. For PBV units that will be newly constructed or substantially rehabilitated, the PHA must enter into an Agreement prior to development or rehabilitation activities begin.

**PBV HAP Contract for New Construction or Substantial Rehabilitation. Form HUD-52530A.** Regulatory reference 983.202. The PHA must enter into a HAP contract with the owner in order for housing assistance to be paid to the owner for occupied units.

**PBV HAP Contract for Existing Units. Form HUD-52530B.** Regulatory reference 983.202. The PHA must enter into a HAP contract with the owner in order for housing assistance to be paid to the owner for occupied units.

**Tenancy Addendum. Form HUD-52530C.** Regulatory reference 983.256((b)(3)). The lease under the PBV program must include the HUD-required tenancy addendum with all provisions required by HUD.

**Statement of Family Responsibilities. Form HUD-52578B .** Regulatory reference 983.1, 982.551. Each family participating in the PBV program must sign this form which includes family obligations.

**Notification of Intent to Project-base Vouchers.** Regulatory reference 983.6(d). PHAs are required to notify their HUD field office of their intent to project-base vouchers for approval regarding budget authority.

**HUD Approval for Owner Termination of PBV HAP Contract .** Regulatory reference 983.205(d). If the owner's rent is adjusted below the initial rent by the PHA and s/he wants to terminate the PBV HAP contract as a result, s/he must obtain HUD approval.

**Owner Notice to Terminate PBV HAP Contract.** Regulatory reference 983.206(b). Not less than one year before the termination of the PBV HAP contract, the owner must notify the PHA and tenants of such termination.

**3. Describe whether, and to what extent, the collection of information is automated?**

NA.

**4. Duplication of information.** There is no duplication of the subject information.

**5. Does the collection of information impact small businesses or other small entities?**

No small entities are impacted.

**6. Describe the consequences to federal program or policy activities if the collection is not conducted or is conducted less frequently.** The burden associated with Parts 982 and 983 is the minimum needed for program monitoring and implementation and incorporates program applications for funding, and contractual and other documents necessary to program administration and implementation. The information cannot be collected less frequently because it is either (1) information necessary to ensure housing is adequate and occupancy is by eligible families (2) information necessary to comply with contractual arrangements or (3) information necessary to ensure compliance with a statutory mandate.

**7. Explain any special circumstances.** None.

**8. Identify date and page number of the Federal Register notice soliciting comments on the information.**

HUD published a Notice of Proposed Information Collection for Public Comments in the *Federal Register*, Volume 80, No. 182; Page 57012 on September 21, 2015. The public was given until November 20, 2015, to submit comments on the proposed collection. HUD received no comments on this proposed collection.

No payments or gifts to respondents are provided.

**10. Describe any assurance of confidentiality provided to respondents.** Personal identifiable information is covered under the Privacy Act of 1974 (U.S.C. 552a). The *Authorization for the Release of Information/Privacy Act Notice* (form HUD-9886) is authorized by Section 904 of the Stewart B. McKinney Homeless Assistance Amendments Act of 1988, as amended by Section 903 of the Housing and Community Development Act of 1992 and Section 3003 of the Omnibus Budget Reconciliation Act of 1993. **13. Additional cost to respondents.** No additional costs to respondents other than as reported in Item 12.

**14. Annualized cost to the Federal Government**

Estimated annualized cost is \$30 per hour, based on the 2010 General Pay Scale for a GS-11 Step 1, which represents the HUD field staff performing reviews of PHA requests. \$30 per hour for an estimated 1,000 hours per year equals \$30,000. There is no significant increase in the cost to the government.
