Please make corrections to name, address and ZIP Code, if necessary.

The information you provide will be used for statistical purposes only. In accordance with the Confidential Information Protection provisions of Title V, Subtitle A, Public Law 107-347 and other applicable Federal laws, your responses will be kept confidential and will not be disclosed in identifiable form to anyone other than employees or agents. By law, every employee and agent has taken an oath and is subject to a jail term, a fine, or both if he or she willfully discloses ANY identifiable information about you or your operation. Response is voluntary.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number is 0535-0003. The time required to complete this information collection is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

## **INSTRUCTIONS**

- Report prices for new machinery manufactured during 2015 and 2016.
- Report prices only for items listed.
- Report prices including optional accessories.
- Report only the price paid before any discount or trade-in value.
- Report an average price, not a range of prices.

	• <b>Exclude</b> sales tax.	
l.	Did this operation sell <b>new tractors</b> or <b>farm mach</b> through February 2016?	inery to farmers/ranchers in the U.S. during the 12-month period March 2015
